We will have a session on scheduling your driver education program. A white board will be provided where you can share how you deliver your program at your school.

The IHSCDEA is approved to provide professional development activities at our annual Conference this spring and at all our workshops each fall. Our ISBE provider number is 100605. Participation in these professional meetings will allow Illinois teachers to claim credits toward certificate renewal. We pride ourselves on providing Illinois Driver Educators with research-based strategies and skills that accomplish common core standards and best practices.

One (1) CPDU will be awarded for each hour of attendance. All the specific forms needed for credits will be issued at the **conclusion of each meeting**. See Deb Twenhafel at the registration desk for assistance in getting your CPDUs.

General Session #1 = 1 CPDU

Breakout Session #1 = 1 CPDU

Breakout Session #2 = 1 CPDU

Breakout Session #3 = 1 CPDU

General Session #2 = 2 CPDUs

General Session #3 = 2 CPDUs

Total = 8 CPDUs

Note:

Consider becoming more involved in your association, in your regional workshops and committees. Also, join our National Association (ADTSEA), a great way to see how other states teach traffic safety.

We need your help to continue to make IHSCDEA strong. The future is with new leadership and the involvement of our membership.
