Calendar of Events

March 2015

## Audubon Society's Collection: Celebrating 35 years at the Main Library

Together with The Audubon Society of the Everglades, the library is celebrating by offering a special program. We are marking the 35th year that the Main Library of the Palm Beach County Library System has housed the Audubon Society's special and extensive book collection. We are having a gala for the community to take part in. On Saturday, Mar 21, we will have programs for adults and children. At 10:00am we are offering a children's craft activity, focusing on birding, for children of any age. At 2:00pm James Currie, host of the television program Birding Adventures and author of the new book "When Eagles Roar: The Amazing Journey of an African Wildlife Adventurer." Books will be available for sale, and Mr. Currie will sign them. Join us for the fun. Call 561-233-2600 to preregister.

## CreationStation Teen Time

The CreationStation at the Main Library is the place to find the latest digital tools to create and edit music and video.

Teen Time in the CreationStation provides the opportunity for teens to develop their skills or learn the basics concerning video and audio production, graphic design, photography and other forms of digital media that may interest them.

CreationStation mentors are on hand to assist during Teen Time with the use of professional software, such as: Final Cut Pro for video production, Photoshop to edit images, GarageBand or Logic Pro X for music, and Manga Studio for designing professional quality comics and illustrations. Teen Time participants can use video cameras, stage lighting and a green screen to record video, microphones for sound recording or even a drawing tablet to create whatever they can imagine.

During previous Teen Times, we've taken studio portraits then added filters and effects to make them look aged and damaged, recorded podcasts and added sound effects and filmed in front of the green screen then replaced that background with other locations such as the streets of New York.

Teens, grades 6-12 are encouraged to stop by during Teen Time, regardless of skill level or interest.

**Tue, Mar 03 & 24, 5:00 pm – 7:00 pm**  
**CreationStation Teen Time**

Teens will have the opportunity to work with any specific software or equipment currently featured.

# ACREAGE BRANCH

15801 Orange Boulevard, Loxahatchee 33470  
Phone: 681-4100

## ADULT
