Dear Parents,

I want to welcome the eighth grade parents to Campus High School as we begin to prepare for the 2009-10 school year. February is the month when we begin planning in earnest for the next school year. In practical terms this means that it is time for 8th grade enrollment.

This year we are again inviting all students and their parents to meet with faculty members for enrollment. In the next few weeks you and your son/daughter will be invited to enroll on Feb. 18 and 19 for the 2009-10 school year. We hope that this conference time will

truly be a time when you and your son/daughter can map out a plan for future academic work.

This is a great time to sit down with your son/daughter and discuss future academic plans with the help of a Campus faculty member. Mrs. Voss, our senior counselor, has included an outline of the three separate graduation plans that are most commonly used at Campus. You can talk with your son/daughter and map out the next four years based on their plans after high school.

Congratulations to all the students that achieved honor roll status after first semes-

ter. Many times we do not pay enough attention to the many outstanding students at Campus High School. Please take note of the honor roll students listed in this newsletter.

Thanks for your continued support of our faculty and staff as they work to give your student the best education possible. Parents and school working together can prove to be a powerful, positive force in the life of your child.

Sincerely yours,

Myron Regier
Principal

2009-2010 Enrollment

To better meet the individual needs of all students, the CHS enrollment process underwent an extreme make over three years ago. The changes were very well received by both parents and students. The new process keeps students better informed and parents more involved in the enrollment process. Recently, students have been discussing future goals, studying their histori-

cal grades, graduation progress and have started looking at enrollment choices with their Advisory/Seminar teachers over the last couple of weeks. Advisory/Seminar teachers are currently contacting parents to schedule enrollment conferences with students and parents during the spring conferences February 18th & 19th. Conference times will be scheduled Wednesday,

February 18th from 5:00 to 8:00 pm, and Thursday February 19th from 8:00 am. to 8:00 pm. Advisory/Seminar teachers will also provide parents with their student's results from the EXPLORE, PLAN and Practice ACT Tests from this fall. CHS counselors will be available for students and parents with additional enrollment concerns.

Junior News To Know

Wichita Bar Association Summer Internship: Applications due by Feb. 20 - This internship is open to any high school junior who has a 2.8 or higher GPA and is interested in a law career. This is a paid internship through a Wichita Law firm. Competition for these positions is tough, but it will be worth it if you are accepted. Details are available in the counseling office.

KU Junior Days: Students can learn about life at KU by visiting the university on one of their Junior Days. The event will allow them to begin investigating if KU is the place for their post high school

education. Registration forms can be picked up in the counseling office or you can register online at www.admissions.ku.edu/juniordays.

K-State Junior Days: Learn about life at K-State by visiting the university on one of their Junior Days. Check in the counseling office for a registration form or visit their website for more information, www.consider.k-state.edu.

Boys State / Girls State: Any junior interested in attending this annual event needs to fill out an application. The deadline is March 31 and you can pick

up the form in the counseling office. To be eligible a student must rank in the top half of the junior class and be involved in extra-curricular activities.

Cadet Law Enforcement Academy: This academy helps Juniors gain knowledge regarding the training and responsibilities of Law Enforcement Officers. The Academy is scheduled for May 31-June 5, 2009. Interested Juniors should pick up an application for April 1 & 2. Interested Juniors should pick up an application in the Counseling Office. Application deadline is March 31, 2009.

Fort Hays State University - Nightingale Experience:

This is a two day event sponsored by the FHSU Department of Nursing focuses on careers in Nursing. This event is scheduled for April 1 & 2. Interested students should pick up an application in the CHS Counseling Office. Space is limited, application deadline is February 16th.

K-State Just For Juniors: Monday, February 9th at the Wichita Hyatt Regency. Pick up information in the CHS Counseling Office or at www.k-state.com/justforjuniors.

CHS Counseling Department Website Updated:
Have you visited the Campus Counseling Department Website lately? Check it out at www.usd261.com/campus/counseling. Our website has been updated and included information helpful to all grade levels. Receive the most up to date information on a regular basis rather than waiting for the monthly newsletter.

Need Money For College?

Parents: Do you have questions about financial aid? Do you not know where to turn for help financing your students post high school education? Many resources are available to you this month. Please put the following events on your calendar and plan on attending so you can get the answers to

all of your questions.

♦ February 8, 2-4 pm, College Goal Sunday at Friends University. The event will be held at the Dugan-Gorges Conference Center at 3100 McCormick Avenue. Volunteers will be available to help students and parents sort through all of the FAFSA informa-

tion.

♦ February 18, 5-8 pm, Fafsa help for parents and students will be offered at Campus High School. Computers will be set up in the counseling office for your use in filing the Fafsa form. Counselors will be available to answer your

questions. If you have questions, or do not have internet access at home, this is your chance to get help filing the Fafsa form. You will need a PIN (which we can get for you that night) and your 2008 tax information in order to complete the form.

Campus Driver Education - Summer 2009

The Summer Driver Education session will be held May 26 through June 24, 2009. The "A" class will meet from 7:30-10:00 a.m. and the "B" class will meet from 10:30-1:00 p.m. Both will be held at the Learning Center, 150 Stewart St., Haysville.

All students enrolled in Summer Driver Education must be at least 14 years of age on or before May 26, 2009.

Enrollment for Summer Driver Education will be held at the same time as enrollment for next school year, February 18 from 5:00-8:00 p.m. and February 19 from 8:00 a.m. to 8:00 p.m.

Students need to pick up an application form and have it completed before the enrollment dates. You will be able to pick them up in the Campus Counseling Office or the Middle

School Counseling Office beginning January 26.

Students enrolling for Summer Driver Education must bring the application form completed, along with the fee of \$125, at the time of enrollment.

You may sign up for the 7:30-10:00 "A" class or the 10:30-1:00 "B" class, but if one class is full (48 students), you will have to go to the other class.

After the students are enrolled and accepted, they must have a State Driver Education Permit (DE99). This part of enrollment will be done on April 8 at 7:00 p.m. at the Learning Center. The **student and a legal guardian MUST** be present to complete a legal application for a Driver Education Permit. (Space is limited to the student and legal guardian.)

An 8th grade parent meeting with Jeff Michael, Freshman Counselor, will be held February 4 at 7:00 pm in the auditorium. Mr. Michael will be discussing the transition from the middle school to the high school, along with the procedure of pre-enrollment for ninth grade which will be held February 18 and 19 at Campus.

Shed for Sale

The Construction Technology Class has finished an 8' x 12' shed that needs a good home. If anyone needs a shed please come by the compound on the east side of H building and look at it. It is built with full 2 x 4 construction, treated wood runners and floor members for a long lasting shed. It is ready to be painted and have your choice of shingles or roofing installed. The price will be around \$1300.00 and that includes normal 3

tab shingles. It will cost you to have it moved and that is easily done by several local tow companies. Call or email JL Walker for additional details at 554-2236, ext 1808 or email jwalker@usd261.com.

Q/A Sessions RE: Proposed Drug Testing

Special Board meetings for the purpose of receiving comments from parents and patrons regarding drug testing of students in USD 261 will be held at 6:30 p.m. on Monday, February 16 at Haysville West Middle School, 1956 West Grand Avenue in Haysville; and on Monday, March 23 at Haysville Middle School, 900 West Grand Avenue in Haysville.

Campus FCCLA Angel Tree Project

Helping a family in need was the goal for Campus FCCLA's Angel Tree Project held in December. Members collected clothing, toys, games and food items that helped make a great Christmas for a family in our school district. Students selected angels with gift information from

the Angel Tree set up by FCCLA members in the Family and Consumer Science Department. FCCLA members boxed and wrapped the gifts and sorted the canned goods at their annual Christmas party. What a great opportunity to have fun and serve others!

Campus FCCLA Members with gifts collected for the Angel Tree Project

Local FCCLA Members Attend National Meeting

Youth from the Campus High School chapter of Family, Career and Community Leaders of America (FCCLA) recently participated in a weekend leadership conference held November 21-23, in Dallas, Texas.

Attendees participated in a weekend of trainings and sessions that challenged, informed, and motivated members and their advisers to become leaders through FCCLA.

Along with more than 3,000 other members and chapter advisers, Campus's FCCLA chapter advisers, Jan Tamson and Renae Spangler, attended with seventeen members.

The "Motivation in Motion" theme was reinforced at the Opening General Session by guest speaker Julie Carrier who inspired attendees with her motivational message, "Success is a Choice," and encouraged attendees to make the most of their powerful leader-

ship potential.

Saturday's agenda included a showcase for FCCLA's competitive events, dynamic speakers, and an array of leadership workshops.

Keynote speaker Sam

Glenn closed out the meeting by addressing how leadership is not just about a positive attitude, it's about putting that attitude into action.

"We learned from one of the speakers, that the person who is hardest on us is ourselves," says junior Rebecca Faidley.

Dallas is one of four nationally sponsored training conferences this fall. The National Cluster Meetings are designed to allow local students and teachers to take advantage of high-quality leadership training opportunities. Meetings will also be held in Providence, Rhode Island; Jacksonville, Florida; and Cincinnati, Ohio.

FCCLA is a dynamic and effective national student organization that helps young men and

women become leaders and address important personal, family, work, and societal issues through Family and Consumer Sciences education. FCCLA has more than 220,000 members and nearly 7,000 chapters from 50 state associations and the District of Columbia, Puerto Rico, and the Virgin Islands. The organization has involved more than ten million youth since its founding in 1945.

Family, Career and Community Leaders of America is unique among youth organizations because its programs are planned and run by members. It is the only career and technical in-school student organization with the family as its central focus. Participation in national programs and chapter activities helps members become strong leaders in their families, careers, and communities.

Debaters Wrap Up Season

Campus High concluded a successful debate season with a trip to the 6A State tournament at Washburn Rural on January 23 and 24. Five students qualified to make the trip: senior Brayden Barrientez; juniors Shelby Konkel, Devyn Gourley, and Daniel Moore; and sophomore Tyler Pennick were accompanied by head coach Bob Nordyke and

assistant coach Derek Crocker.

Brayden Barrientez and Shelby Konkel led the Colt debaters with five wins and one loss in the preliminaries of the state 2-speaker debate tournament, advancing to octa-finals where they defeated a team from Wichita East. In quarter-finals, however, they met the top-seeded team from Blue Valley to conclude their tournament with a fourth-place finish. Their season, however, is not over, as they previ-

ously qualified for this summer's national tournament in Birmingham, Alabama. As a national qualifier, they will be permitted up to three debate tournaments in the spring. Currently under consideration are a tournament in Norman, Oklahoma, in late February and a tournament in Kansas City in May.

A young Colt squad competed well during the season—Barrientez was the only senior—and should have another good year in 2009-2010. A

number of good underclassmen will return, including up to nine who earned a letter in 2008-2009.

Students earning a letter in debate included senior: Brayden Barrientez; juniors: Daniel Moore, Shelby Konkel, Tina Thompson, and Devyn Gourley; sophomores: Tyler Pennick and Shane Rogers; and freshmen: Kirstin Evans, Emry Woelk, and Robert Schmeidler.

In February health personnel will be doing hearing and vision screening of all 9th and 11th graders, special education students, and new students at Campus. Parents of students who are found to have any vision or hearing difficulties will be notified by mail. If you have any questions or concerns, you may call the Campus Health Aide, Mary King, at 554-2236, or the district school nurse, Mary Carr, at 554-2200.

Forensics Squad Gearing Up

CHS will launch the 2008-09 forensic season with a tournament at Remington High School on February 7. Thereafter, the squad will be busy competing at least one to three days a week through the state tournament at Olathe Northwest on the first Saturday in May, with the ultimate goal of qualifying as many students as possible for the NCFL national tournament in Albany, New York, and the NFL national tournament in Birmingham, Alabama.

The squad returns three previous national qualifiers: senior Brayden Barrientez, who qualified for NCFL nationals in public forum debate as a sophomore and NFL nationals in US Extemporaneous Speaking as a junior; sen-

ior Tyler Farris, who qualified with Barrientez in public forum as a sophomore; and sophomore Shane Rogers, who qualified for NCFL nationals as a freshman with his sister Kacie in duo interp. Barrientez has already qualified this year for NFL nationals in policy debate and will forgo NCFL nationals in order to compete in state track.

The squad has interesting mix of experience and newcomers. Experienced members of the squad include seniors Brayden Barrientez and Tyler Farris; juniors Shelby Konkel (who qualified to NFL nationals with Barrientez in policy debate, but is very interested in qualifying also to NCFL nationals), Devyn Gourley, Ashley

Collins, Daniel Moore (one of four students competing outside of and not enrolled in a forensic class), and Tina Thompson; sophomores Brooke Harrison, Tyler Pennick, Kacie Reif, and Shane Rogers. Newcomers to forensics include juniors Nathan Sullivan (out of class) and Ian Rakestraw; sophomores David Hook, Bekka Sharp, and Whitney Vaughan; and freshmen Matt Crabtree (out of class), Robert Schmeidler (out of class), Kirstin Evans, Luke Thompson, Emry Woelk, Kyler Rupe, Matt Sluder, Beau Wehkamp, Kelsie Collins, Cayla Hoover, Sunshine Love-Hoffman, Payten Marshall, and Cerae Smith.

Cotton Bowl Highlights

Over Winter Break the Campus HS Marching Band traveled to Dallas, Texas to participate in the 73rd Annual Cotton Bowl Classic. While in Dallas the group consisting of 101 students and 27 adults enjoyed a warm, sunny day at 6 Flags Over Texas, visited the Galleria Mall

and had an audio tour of the 6th Floor Museum. The group had great meals at the House of Blues and Medieval Times.

On New Year's Day the Band participated in the Cotton Bowl Parade through downtown Dallas. Many people in the enormous crowd along the pa-

rade route welcomed the Band to Dallas, complimented their great sound and cheered them on. The Campus Band performed very well and brought home a 2nd place trophy for their parade performance. The students were also praised several times throughout the tri for their

manners and respectfulness.

Everyone who went on the trip had a great time and would like to thank all those who helped make the trip possible and a great success.

Get Ready for Spring

The Campus Bands are currently holding their annual plant & flower sale. There are a wide variety of items available including vineas, geraniums, peppers, tomatoes and much more. Orders will be accepted until February 18th with a tentative delivery date of April 18th. Additional order forms may be found online at: <http://www.usd261.com/Campus/CHSBand/Home.html> under the "Fundraising" page.

Concert Band Clinic

Twenty-three Band members traveled to KSU January 23-25 to participate in the 16th Annual Concert Band Clinic. Once the students arrived on campus for the clinic they auditioned, were placed into one of six bands, rehearsed for ten hours over a day and a half and then presented a concert Sunday afternoon. The students also heard performances by the KSU Student Ensembles, Concert Band and Symphony Band.

Seniors Austen Mun-

dell and Donna Chanthaboury earned spots in the top band. Split up into the five remaining bands were: Micah Allee, Erica Elder, Amanda Elrod, Natalie Fleming, Eli Gillespie, Kayla Harrison, Nic Lemmons, Sarah Lemmons, Kyle McCluer, Cameron McCormack, Kielan Noel, Zac Oliver, Derek Owen, Ashley Randall, Christi Rucker, Jon Shaver, Krista Sheldon, Nathan Sullivan, Justin Van Ness, AJ Wilkins and Kim Winans.

8th Annual Dinner Concert and Silent Auction

On Saturday, March 7th the CHS Bands will hold their 8th Annual Dinner Concert & Silent Auction at Nelson Elementary from 4-6 p.m. Dinner will consist of lasagna, salad, bread stick, drink and dessert. All four Bands will perform a wide variety of

music. Tickets will go on sale February 17th. Please check the Bands' website for details regarding the performance time for each of the groups.

If you have any items that you would like to donate for the Silent Auction

please contact Becky Hughes at Campus at 554-2236. The Band Boosters will be preparing baskets for the auction which will have the following themes: summer BBQ, games & movies, beauty items, scrapbooking, laundry items (geared towards

graduating seniors), camping, and colleges including K-State, KU, Nebraska, Oklahoma and WSU. Donations do not have to fall into any of those particular categories.

SENIOR TRIBUTES

DEAR PARENTS:

NOW IS THE TIME TO PURCHASE A TRIBUTE FOR YOUR SENIOR.

EACH TRIBUTE IS \$35 {payable to CHS-YB}

SEND ONE PICTURE AND A MESSAGE OF 60 WORDS OR LESS TO:

CAMPUS HIGH SCHOOL
Attn.: Yearbook
2100 W. 55th Street, South
Wichita, KS 67217

TRIBUTES ARE DUE BY APRIL 15, 2009

If you have any questions, please contact Georgana Brown, YB Advisor 554-2236

Baseball Meeting

All parents of athletes planning to play baseball this year are encouraged to attend an important meeting on Wednesday, February 18 at 7:00 in the Haysville West Middle School gymnasium.

Spring Sports

March 2 is the first day of practice for Spring Sports. All athletes must have a physical on file before they will be allowed to practice and pay the \$10 athletic fee before the first game.

Project Graduation

Attention Senior Parents/Guardians - Project Graduation planning is underway and we need all parents to be involved to make this a successful and safe evening for our graduates.

Project Graduation is an all-night alcohol-free, drug-free celebration for the 2009 graduating class. It is organized and hosted by senior parents/guardians, who, through the use of community contributions, parent contributions and fund-raisers, gather the money necessary to provide food, hours of entertainment, and door prizes.

Project Graduation will take place on Sunday night, May 17, 2009 in the CHS gym from 11:00 pm. to 5:00 am.

For more information, to volunteer, or make a contribution, please contact Robyn Darbyshire at 308-0091 (cell) or 529-3676 (home).

USD 261

Wellness Guidelines

The following is an excerpt from the USD 261 Wellness Guidelines. We will try to communicate important sections of our new wellness policy in newsletters throughout the year.

The following foods may be served or sold to students before or during the school day through vending and ala carte:

- ◆ Beverages allowed: Water without caloric sweeteners; fruit and vegetable juices that contain at least 50% fruit juice and do not contain additional caloric sweeteners; milk that has 360 calories or less.
- ◆ Beverages Not Allowed: Soft drinks containing caloric sweeteners; iced teas; fruit based drinks that contain less than 50% real fruit juice or that contain additional caloric sweeteners; beverages containing caffeine, excluding low fat 2% or 1% fat free chocolate milk (which contains trivial amounts of caffeine).
- ◆ Food items sold individually and ala carte: 50% of food items sold individually meet these guidelines:
 - * Fat - except for nuts, seeds and nut butters, 35% or less of total calories from fat.
 - * Sugar - except for fruit without added sugar, 35% or less of weight from total sugar.
 - * Calories - 200 calories or less per selling unit.

Have You Tested Your Kid Today?

Maybe not, but we have. We test kids all of the time at Campus. Asking a question to check for understanding is the most common test used. A little less often, we give assignments and quizzes that require demonstration of knowledge or skills learned. Teachers give classroom tests and common assessments a few times throughout the semester to provide students with a chance to show what they know and can do.

Standardized assessments are one important part of assessing how well students are performing in school. These results measure students against other students in schools across the country, or against a set of criteria, that forms the basis for our curriculum. In USD 261, we administer two standardized tests: Measures of Academic Progress and the Kansas State Assessments. The table below shows the schedule for assessments.

Subject	Assessment	Testing Window
Reading	State Assessment, Grade 11	Late November – Early December Early March – Late April
	MAP, Grades 9-10	November Early April – Early May
Mathematics	State Assessment, Grade 11	Late November – Early December Early March – Late April
	MAP, Grade 9-10	November Early April – Early May
Writing	State Assessment, Grade 11	Late March – Early April
	MAP, Grades 9-10	November Early April – Early May
History	State Assessment (World Focus)	Early May
	State Assessment (US Focus)	Early May or Late December
Science	State Assessment (Life Science)	Late April – Early May
	State Assessment (Physical Science)	Late April – Early May

Measures of Academic Progress (MAP) are computer-based, norm-referenced assessments.

- A unit known as a RIT, measures students. A RIT score is standard across all grade levels, so a seventh grader with a RIT of 225 in reading and a tenth grader with a RIT of 225 in reading has the **same** instructional level. The RIT scores between assessments are not comparable. A RIT of 225 in reading is **not** the same as a RIT of 225 in mathematics.
- Each RIT score equates to a percentile ranking, comparing the RIT to the scores of a forming group (a large group of students across the country). This percentile rank compares how well the student scored as compared to other students taking the test. A percentile rank of 50 means that the student scored as well or better than 50 out of 100 students. Percentile rankings range from one to 99, with 99 being the best possible ranking.
- USD 261 gives MAP to students in grades 3 through 10 at least once per year. Campus assesses students during each semester of their freshman and sophomore years.

Kansas State Assessments (KSA) are computer-based, criterion-referenced assessments.

- Students are measured on a percentage basis against a set cut score (50% in mathematics, 68% in reading) that determines proficiency. Additionally, students score in one of five categories: Academic Warning, Approaches Standard, Meets Standard, Exceeds Standards, and Exemplary.
- Each fall, third-year students take the KSA in mathematics and reading. Students who score at the "Meets Standard" or higher level are proficient and complete in that subject. Students who score in the "Academic Warning" or "Approaches Standard" categories participate in additional remediation prior to a second opportunity to test in the spring.
- Each spring, students also take the KSA in Writing, History, and Science. Third-year students take the writing assessment in conjunction with their English class. History assessments occur at the end of World History (World Focus) and Government or US History (US Focus). Science assessments occur at the end of Biology (Life Science) and Lab Studies, Chemistry, or Physics (Physical Science).

Why are these tests important?

Primarily, these tests provide students and families with the assurance that their student is proficient in reading, writing, mathematics, history, and science, which only creates more opportunities for students beyond high school, regardless of their choice of study or vocation. In addition, it provides an affirmation that our efforts at the student, teacher, school, and district level are having a positive effect. In those situations where our scores are not at proficient levels, it provides us with the ability to target the skills students need to be successful.

From the student perspective, proficient scores on these assessments is part of a recognition incentive known as White Friday Early Release. Junior, senior, and second-semester sophomore students who maintain grades of C or better, have five or fewer absences per class, earn five or fewer discipline points in a semester, and are proficient on these assessments are afforded the opportunity to leave at 1:30 on White Fridays.

We are seeking the best effort from our students on these exams, as they have become important measures of our school and our school district. Many families who are choosing homes in the Wichita area base their decision on the test scores of the schools. Our improving scores are attracting families to our community and schools, continuing the growth that we have enjoyed as a district, resulting in new facilities, better teacher salaries, and more opportunities for our students.

There is a host of reasons for continued improvement, but the most important is that of increased levels of student learning. We ask for your help in ensuring that your students get plenty of rest, get a good meal the night before and morning of, and are present during assessment dates. We will publish results in our Newsletter and on our website: www.usd261.com/campus as they become available. If you have questions about the assessment initiatives at Campus, please contact Phil Bressler, Asst. Principal via e-mail (bressler@usd261.com) or by telephone (554.2236).

CAMPUS "Athletics" BOOSTER Club NEWSLETTER

Volume 2008 - 2009, Issue 4

February 2009

WANTED

Campus Athletic Booster Club Board Members

Dear Parents:

As the school year ends, the Campus Athletic Booster Club is in great need of Board Members. The following Board Members are needed:

- President
- Vice President
- Treasurer
- Members At Large

Over the past several years, the CAB Club has worked very hard to raise several thousand dollars to give to the Athletic Department and our Kids. The Campus Athletic Booster Club has always supported the idea that the Athletic Director and Administration has a better idea of what is needed for each sport. We are pleased to be a part in some of these additions. In the last seven years, there have been numerous successes with facility improvements and equipment purchases. We hope that this tradition will continue.

With all the budget cuts, the CAB Club is very much needed in our community. What happens if the CAB Club does not continue with their support, some of the programs that we help support might go away and the many items that the Booster Club helps purchase would be pushed back until the funds are available.

The commitments that are needed to be a part of the CAB Club are: Home Games – Concession Stand, T-Shirt Sales, Program, etc. and Monthly Meetings.

The current board has been together for over four years and most of our children have grown up and are ready to move on, so without your support and help we cannot do what we do. If you are interested in being a Board Member please contact Sheri Tucker @ stucker@usd261.com, Melinda Brown @ BrownMe@usa.redcross.org, Rick Martens @ Rick_Martens@oxy.com or myself (Tonya Malicoat) @ Tonya_Malicoat@oxy.com.

Thank you again for all your support you have given the children and I just hope that we can keep our traditions up!

Tonya Malicoat
President

Rick Martens
Vice President

GO COLTS

CAN YOU BELIEVE IT???

The 2008-2009 Campus Athletic Booster Club was able to give \$16,000 to the Campus Athletic Department this year.
