Course Information

This Appraising Small Residential Income Properties class will help you understand how to appraise a duplex, triplex and 4 plex. We will unwind the mysteries of appraising a small income property. This course will help answer the questions: How do I find rental comparables? Is there a difference between market rent and actual rent? How do I calculate a GRM? What is a GRM? So many questions so little time...

For more information please contact:

Kimberly Knorr
