Information

This information will only be seen by the co-ordinator and the General Fund Treasurer. They will keep it fully confidential. We keep this form for ten years, after which it will be destroyed.

Bursary applications for YFGM travel should be submitted with your registration and will be forwarded to the General Fund Treasurer after the registration deadline. If you require a more urgent response, please tell the co-ordinator. If you do not submit your bursary request before the YFGM registration deadline your payment will take up to 3 months to process. Other bursary applications will be dealt with as they arrive.

Bursaries for travel to YFGM are usually paid there on production of this form and your tickets. For other bursaries send us the form and tickets after the event. If you need the money earlier, please tick the box to say that you need payment in advance.

We expect those under 26 or in full-time education to use a Young Person's Railcard when buying tickets with bursary or expenses money. If you would not otherwise buy a railcard talk to the YFGM Treasurer about authorising one to be bought from YFGM funds if this would lead to overall savings

There is also an accessibility fund available for those who have accessibility requirements. If you think you might be eligible and would like to talk about it, speak to the YFGM General Fund Treasurer at a YFGM or email yfgm.generalfund.treasurer@gmail.com.
