# iConnect Session

## ALL PARENTS OF RISING GRADE 5 AND 6 STUDENTS

Don't forget to sign up for an "iConnect" session for you and your child. It is so important that you attend. For your convenience, you can choose from four dates: two in June and two in August. If you're available, we highly encourage you to attend a June session. We are offering an evening session in August. See the attachments to see the letters that were sent home with information.

Click on the link to sign up today: <https://doodle.com/ts8vvhxuw5vh7q55>. If you cannot make any of these sessions, please sign up for a session and send a representative and the iPad the student will be using to take notes and download apps. If you have any questions, please feel free to contact Ms. Spillmann at [dspillmann@parkmailand.org](mailto:dspillmann@parkmailand.org).

Thank you to all those who have already signed up; we have gotten a good response so far!

## PET SUPPLY DRIVE SUCCESS

Pictured above are grade 3 students in front of the collection of pet supplies for their rescue efforts. These contributions will help rescue efforts all over the county! Ms. Dawson would really like to thank all of the families who sent in a donation. Every little bit made a HUGE difference in the life of a lost or surrendered pet.

**SENIOR PRANK:** Sixth graders pranked Ms. Keckley for the last day of school! They ran miles of string across her room as a demonstration of "staying connected Ninja style!"

## Summer Water Safety

Can you believe that nearly half of Americans say that can't swim? We hope you will check out this [article](#) by ASCA on swimming safety and stay safe around the water this summer! Thank you, Coach Meisel for the great information!

Congratulations, grade 6 student Alex A. for receiving his black belt in Taekwondo with Mr. Link this past week!

Pictured at left is 4 Blue with Mr. Wozniak as they say good-bye before he moves to Tampa.

Junior Troop 738 presented a check for nearly a \$1,000 to start a fund so that girls in foster care can participate in Girl Scouting to Joe Durso of CBC of Central Florida. The Girl Scouts would like to thank all of our parents, friends, and colleagues who helped make this possible!

## Williamsburg Trip Info

IMPORTANT INFORMATION NEEDED

by JUNE 6, 2014

Be on the lookout for trip information that has going home with your child via back pack mail and via email! Now that we have assessed a cost for the trip, we need to know which students and parents are now able to commit to the trip!

## Pet Adoption

### A NOTE FROM MS. DAWSON

This beautiful, eight-year-old white lab needs a home. The third grade has rescued her, (our 70th rescue) and she is so happy now!

We are looking for a forever home for her with no stairs. She is the most loving and precious of all the rescues so far, wonderful with children and other dogs, and has beautiful manners. Too much excitement may not be right for her. She is just so loving and sweet; it is easy to tell that she was beloved.

If anyone would like to meet her, you can email [cdawson@parkmailand.org](mailto:cdawson@parkmailand.org).

The K-5 students "bridged" to first grade last week! Our newly promoted first graders were so proud of all they have accomplished this year!

## Uniform Swap 2014

Don't forget about our growing uniform swap!!! Please round up all those uniform and club items that your child(ren) are finished with for this school year and check the website below for details on dropping off. ALL uniform pieces are welcomed and greatly appreciated. Shirts, shorts, pants, jackets, dresses, tshirts, club gear, cheer, taekwondo, daisy, scouts, shoes, demin, etc. This is the perfect opportunity to trade-in those items that are too small and shop for new ones.
