

MENTEE APPLICATION

The Wired Woman Toronto Mentorship Program helps members along their career path by creating opportunities for them to develop a professional relationship with experienced mentors. Matches are made based on similar career interests, experience, and personality.

Please complete the following form and you can choose to return along with a resume and/or bio to Fareeha Najm, Manager, Women Services (fnajm@microskills.ca). This information will help us in matching you with a suitable mentor. All information received will be kept confidential.
