As part of the preparation to enter the teaching profession, a student in the *Introductory Fieldwork* experience is placed in an educational setting for a minimum of 80 hours over the course of the collegiate semester. The student's primary objectives are to observe, interact with students, and assist teachers in various capacities in order to complete course assignments, as well as learn about the roles and responsibilities of people who work in the school. We are asking you to provide feedback on the student's experience, which will impact future training in teacher education. Thank you.

1. Has the student completed a minimum of 80 hours including one full day visitation?

Yes No Do not know

2. Did she/he show initiative in the classroom and a willingness to contribute in varied ways? *Elaborate in the space provided.*

Yes No Do not know

3. Does the student convey a professional attitude/appearance?

A great deal Somewhat Unable to judge

4. What constructive feedback regarding teaching practices can you offer this student to be successful in future terms?

6. The student will complete an additional 80 hours of fieldwork including more direct teaching next semester.

Based on your best judgment, how ready do you feel the student is for this experience?

7. Please check any activity that the student has engaged in during his/her field experience.
