New Memberships: A pro-rated formula applies as follows. Divide the fee by 10 months and multiple by the number of months remaining in the membership year (July & August are not counted). Example; If you join in March then it is \$6 x 7 months = \$42 for a club of 60 members or less. If you join after June you must also pay for the following year in advance at the current rate.

Liability Insurance: Two million-dollar third party liability insurance is available to Canadian clubs only. It must be purchased at the time of membership and runs for the calendar year.

This form and all fees MUST be received by the Membership Chair no later than the December CAOAC meeting (2nd Sunday of Dec.) preceding the start of the membership year. Cheques may be post-dated to January 1st of the membership year. If Pay Pal is used email the form to avanmont@shaw.ca
