

2012 INTRAMURAL BASKETBALL

The Ss. Peter and Paul Athletic Association offers intramural basketball to all students in grades 1-4. The goals of the intramural program are to teach basketball fundamentals, teamwork and good sportsmanship. Separate teams are organized for girls and boys for each grade level.

Games are played on weeknights beginning at 5:30 p.m. Practices can be after school or on the weekends. Mike Chiarito will help coordinate times and days. All practices and games are held in the SSPP gym. A typical week consists of one practice and one game per team. Help is needed from parents to serve as coaches, and we encourage you to volunteer to assist the program. Coaches must complete the Protecting God's Children program and Positive Coaching Alliance.

Games will begin the week of March 19th. See attached scheduled regarding days and times. The season will run to thru April 26th. The fee for the intramural basketball program is \$25 per child which includes a team T-shirt. Checks should be made payable to Ss. Peter and Paul Athletic Association and returned no later than February 17th to:
