

Lockout Tag Out Program Control of Hazardous Energy Sources Employee Acknowledgment of Receipt Of Training

I, _____, acknowledge receipt of training with regards to the company's Control Of Hazardous Energy Sources Lockout Tagout Program And Procedures. I understand the purpose for having such a plan is to reduce injuries resulting from the accidental startup of a machine or piece of equipment while undergoing service or routine maintenance. I have been instructed to identify the piece of machinery or equipment and its energy sources utilizing the sampan's survey for applying lockout tagout devices prior to beginning any lockout tagout procedures. I have been instructed to fill out my own monthly lockout tagout time schedule each time I begin a lockout/tagout procedures. I agree to have my immediate manager/supervisor signoff on this form granting approval for continuing servicing or providing maintenance to the piece of equipment or machinery. I further understand that it is my responsibility to notify all co-workers of a machine's or equipment's inactive state each time I begin lockout/tagout procedures. Finally I have specifically been issued the following lockout tagout device for my own use:

Identification Number of Lockout Device
