Message from the Principal

Many of our MMHS students will be taking the first round of the PARCC Assessments. This new assessment will be given the first two weeks in March and then again in late April to all of our middle school students as well as our high students enrolled in Algebra 1, Algebra 2, and English 10. More information about these national assessments will be coming out shortly - stay tuned!

Thanks again for all that you do to support our Mardela Middle & High School students! Please continue to check on your student's progress on Family Portal (<https://x2.wcboe.org/x2sis>) as well as checking out our website (<http://mmhs.wcboe.org>) for updated information. Also, feel free to give us a call any time at 410-677-5142 or e-mail us at mmhs@wcboe.org.

ADJUSTMENTS TO SCHOOL CALENDAR

Wicomico County Public Schools has made two adjustments to the 2014-2015 school calendar:

- Tuesday, March 31, will be an early dismissal day for students, with schools dismissing two hours early. Mardela's school day will end at 12:45 p.m.
- Tuesday, April 7, will now be a regular school day for students and staff.

UPDATE TO SCHOOL VISITOR POLICY

As the school system strives to create the most positive safe learning environment for our students that we can, and to keep stride with the technology, our visitors' policy will be incorporating the Passage Point Sexual Offenders Registry Identification System. Each visitor will be required to use their driver's license to swipe at their school's visitor kiosk. With successful identification through the system, the visitor will gain access to the desired building location. This protocol is being implemented to assist schools with added safety and security. If you have any questions or concerns with the new identification system, please contact a school administrator.

Optimist Oratorical Contest

The Optimist Club of Salisbury, along with the Wicomico County Board of Education, is once again sponsoring their annual oratorical contest which comes with both cash prizes and scholarship money up to \$2,500 for the winners.

This year's topic is one that many young people will surely have much to write and speak about:

"How My Optimism Will Help Me Press on to Greater Achievements of the Future"

All students 19 years or younger as of December 31, 2014, are eligible to enter. This is a change from past years, so now more of our high school juniors and seniors are eligible. The deadline for submitting the written speech is Wednesday, March 25. The preliminary oratorical portion of the contest will be held at Wicomico High School on April 14, 2015. Mardela has fantastic writers and speakers, so let's represent our school amongst the other in-town schools. We were very proud to have five talented Mardela students participate last year!

See your ELA teacher or Mrs. Taylor in room A-15 for an application, directions, and any needed assistance. Submit completed applications (including a copy of your birth certificate) and speeches to Mrs. Taylor by March 25. Practice sessions will be set up for all interested students to help prepare notecards and rehearse for the preliminary round of the competition.

Thank you to all of the parent and student volunteers who manned & wo-manned the 2015 Jr & Sr All-Shore Auditions at our own Mardela MHS. We have been blanketed with praise and appreciation from the other Band Directors of the Eastern Shore! Great job reviving a past offering from our little school with a BIG Band Organization!

Preparation for MS District Band Festival (Mardela MS Festival Band)

The Mardela MS Festival Band has been chosen from all the 6th, 7th, and 8th grade band members who auditioned and music has been distributed. We will have 4 practices only (due to snow) leading up to the MS District Band Festival to be held at Stephen Decatur HS on Thursday, March 26 (details TBA). These practices will be on March 4 (Wed) and 12 (Thurs), from 2:45-5:00 p.m., and March 18 (Wed) and 25 (Wed), from 2:45-4:00 p.m.

For those who are not aware the event, the MS District Band Festival is an opportunity for the Mardela Middle School Festival Band to play music from a graded list for three judges on stage and before several other school bands from around Maryland's Eastern Shore. The judges will make comments on note & rhythmic accuracy, tone and balance, and interpretation; they will ultimately judge the band as "Superior", "Excellent", "Good" or otherwise. The same will be done by one judge when the band is given a piece of music to sight read for the first time. In the end, if the four judges' scores average out to "Superior", the band qualifies to go to a second level of judging at the state level.

In 2014, our Mardela MS Festival Band received a "Superior" rating at the District Festival and qualified for the State Festival, where they received an "Excellent" rating; both of these were historical firsts for Mardela Middle School!! Aim just as high for 2015!!

Wicomico County Board of Education

DRESS CODE POLICY

(Revised and Approved 3/9/10)
(Effective 2010-11 School Year)

Schools have three primary responsibilities with respect to students. The first responsibility is to foster academic achievement. The second responsibility is to create and maintain a school environment that is safe, orderly, and conducive to learning. The third responsibility is to promote and support positive community standards and values such as civility, respect for others, self-respect, citizenship and other constructive character traits and behaviors. Without these, teaching and learning will be negatively impacted.

Students have the responsibility to choose their attire, arrange their personal appearance, and maintain their personal hygiene in a manner that is safe, healthy, non-offensive, and conducive to the educational process. The student dress code is intended to create a positive school climate of respect for self and others, reduce the occurrence of discipline problems, and maintain safety and order in the school so that effective teaching and learning can take place.

School staff members have the responsibility to report violations of the Dress Code Policy and respectfully address students who are out of compliance with the policy. Administrators have the responsibility to investigate these reports, encourage students to make better choices in attire, and assign appropriate consequences for infractions. It is also the responsibility of the administrators and the staff to maintain an awareness of attire related to gang affiliation so that the Dress Code Policy can be implemented effectively. A teacher or staff member is expected only to report violations and is never expected to measure or touch a student they feel is in violation of the Dress Code Policy. Specific units of measure for widths and lengths are provided to ensure that the policy is measurable and to alleviate misinterpretations of the policy.

This policy shall apply to all students during the regular school day and at such other times as designated by the principal. This policy shall apply in all school buildings and on all school grounds, on all school buses and other school vehicles, and at all school-related, or Wicomico County Board of Education sponsored activities, including, but not limited to school field trips and school-sponsored events.

Principals may grant exceptions to the dress code for disabilities or sincerely held religious beliefs if such accommodations are reasonable and do not pose a hardship for the school. Principals may also grant exceptions for specific, school-sponsored events or situations. This policy includes Physical Education class attire. Guidelines for sports and extra-curricular uniforms worn during the school day are at the discretion of the principal.

Decisions concerning any dress code issues which are addressed or inferred in this policy are ultimately at the discretion of the building principal.
