

Conservation Education Program Evaluation Form

Please fill out this form and return it to lrobb@tucanada.org. We appreciate any comments you have to help us improve Trout Unlimited Canada's Conservation Education Program. This information is critical to continued program funding.

School/Community Group Name:	Total #Adults (incl. teachers):
Teacher/Leader Name:	Total #Youths (under 18):
Date of Presentation and/or Field Trip:	
City/Town and Province:	

Program Comments:

How did you find out about the 'Understanding Fish, Water & Conservation' Program?

Have you participated in a Trout Unlimited Canada (TUC) program before? What year?

Did you download and use the resources from our TUC or Yellow Fish Road (YFR) website?

Did you share with others about your experience and or help with fish conservation in your community?

How can we improve the registration, classroom presentation, supplies, or field trip experience?

Feedback for the classroom presentation.	<i>Disagree</i>	<i>Agree</i>	<i>Not Applicable</i>
1. Content & activities are appropriate for age, abilities & skill levels of my students/participants.			
2. Opportunities exist for my students/participants to practice critical thinking skills.			
3. Content & activities address a range of learning styles.			

General comments /feedback for the Conservation Education program:

What you learned, what was new and exciting to you, or what was your favorite part of the program?

Thank you for taking the time to fill out this evaluation!
