Placement in classes will be on a first-come, first-serve basis. Every attempt will be made to place you in your 1st choice. Should any class be full, you will automatically be placed as an alternate for that class. All classes are subject to change of location or cancellation due to lack of enrollment. All reservations will be confirmed in writing. If you need to cancel a class, please call as soon as you know you won't be able to attend. Failure to call and cancel deprives others of the opportunity to attend the class.
