Why purchase fuel at KardGard? It's the best gasoline available anywhere!

Bradigan's has been a supplier of motor fuels for over 60 years. One fact you learn quickly in the motor fuel business is that price is king. In addition to a very competitive price, KardGard offers much more. KardGard exclusively offers high-quality 24/SEVEN Advanced Motor Fuels. Fuels of the Future You Can Buy Today.

KardGard REFUELING CLUB

Sign Up Today! Adding an anti-friction modifier to KardGard gasoline increases mileage, cleans fuel systems, keeps fuel injectors clean and improves emissions.

Cost Per Gallon	Estimated Increased Fuel Mileage	KardGard Savings Per Gallon
\$2.50	5%	\$.125
\$3.00	5%	\$.15
\$3.50	5%	\$.175
\$4.00	5%	\$.20
\$4.50	5%	\$.225
\$5.00	5%	\$.25

The table above illustrates how much savings per gallon customers enjoy by purchasing KardGard gasoline.

"At today's prices, buy the best motor fuel you can."
- Tom Bradigan

The KardGard Advantage

Bradigan's exclusively offers high quality 24/SEVEN Advanced Motor Fuels. Bradigan's introduces a anti-friction modifier additive to all three grades of its gasolines. The enhanced products guarantee customers increased mileage of approximately 5%. Mileage depends on driving habits, road conditions and ambient temperature.

For our diesel fuel customers, we upgrade typical No. 2 Low Sulfur Diesel Fuel to a High Quality Premium Diesel Fuel. Documented in both fleet and laboratory tests to significantly improve engine performance, increase fuel economy, and reduce exhaust emissions, Bradigan's high quality Premium Diesel Fuel meets National Weights and Measures standards for No. 2 Stability & Lubricity. You need a clean fuel system to maintain an efficient engine. Bradigan's High Quality Premium Diesel Fuel will clean-up dirty fuel injectors, making them like new. Just as importantly, it will maintain fuel injectors and fuel systems, keeping them like new. When temperatures drop to sub-freezing, Bradigan's High Quality Premium Diesel Fuel will not gel. It is protected to approximately - 20 degrees Cold Filter Plug Point.

Economy

KardGard's motor fuels are specially treated with an anti-friction modifier that boosts mileage. At today's prices, increased mileage is very important.

Availability

Four convenient locations are open 24/7/365.

Control

The Fuel Management Report is a permanent and comprehensive record.

Convenience

Use our Electronic Fund Transfer option for your monthly fuel payment.
