2013 spring break
H O N D U R A S

Our university group is making preparations for their upcoming Spring Break Mission Trip to Honduras. The group will leave Friday, March 15, to work with the brothers and sisters at the Church of Christ at Mateo. During their week-long trip, the team will be constructing a worship house and homes for 14 families who are currently homeless or living in structures made of scavenged wood, plastic and cardboard. If

HILLSBORO HERALD

Glorifying God Together

HILLSBORO CHURCH OF CHRIST | February 10, 2013

Daniel Hope

February 10, 2013

I am astonished that you are so quickly deserting the one who called you to live in the grace of Christ and are turning to a different gospel—which is really no gospel at all. Evidently some people are throwing you into confusion and are trying to pervert the gospel of Christ. But even if we or an angel from heaven should preach a gospel other than the one we preached to you, let them be under God's curse! As we have already said, so now I say again: If anybody is preaching to you a gospel other than what you accepted, let them be under God's curse! Am I now trying to win the approval of human beings, or of God? Or am I trying to please people? If I were still trying to please people, I would not be a servant of Christ.

-Galatians 1:6-10

- ❖ Topple the idol of _____.
- ❖ Toppling this idol is no excuse for becoming _____ or _____.
- ❖ Toppling this idol involves both caring _____ and caring _____ about what people think.
- ❖ There is _____ in serving One Master.

HILLSBORO A PLACE TO BELONG

God always answers the prayers of our hearts exactly when they need to be answered. —Joseph
