## MISSIONS (cont.) AFGHANISTAN

Dear Hillsboro Family,

We are indeed grateful for the generous outpouring of support at the recent Ladies' Silent Auction event to raise funds for our foundation, The Lamia Afghan Foundation. The generous check that was mailed to us recently will greatly benefit our work in Afghanistan. Thank you so very much.

We know that our mission is not the norm for the "mission" work of the church, as there are no churches in Afghanistan, but feel our mission of showing God's love is just as important as planting a church and verbally teaching God's Word. Teaching by showing God's love through example can be a powerful tool for a people who have never been exposed to Christianity.

Special "thank you" goes to our wonderful knitwitters and individual contributors, along with the general concern, support, words of encouragement and prayers you always provide for our work and safety.

Perhaps, someday there will be home churches in Afghanistan. God is in charge! We are just planting some little seeds and HE will do the rest in HIS time.

We are grateful for talents God has given each of you and how you use them for His Glory.

Please continue to pray for our Christian friends who are doing great work in Afghanistan.

John and Jan Bradley  
The Lamia Afghan Foundation

A note from **Kira Fleshman** —

*"Your response has allowed us to match up several new Chinese friends with volunteers. Thank you, Hillsboro! However, the interest in FriendSpeak from our Chinese friends is continually growing, so we are in need of additional male and female volunteers."*

FriendSpeak meets on Wednesday evenings at Hillsboro from 6:45 - 7:30. Please contact **Kira Fleshman** ([kira.fleshman@hcahealthcare.com](mailto:kira.fleshman@hcahealthcare.com)) if you can help.

## YOUNG AT HEART

Our recent trip to Watermelon Moon Farm was exceptional. Everyone had a wonderful time, and the food was superb. **Jan Crowder** took a few pictures that I am sure she would be willing to share. We are looking forward to our next trip—Montgomery Bell State Park on June 16. Sign up at the *News & Notes* board. The bus will leave Hillsboro at 10:00 am.

Monday, June 11, is the date for our next potluck dinner and meeting. Former member George Spain, who is the brother-in-law of **A. M. and Martha Burton**, will entertain us with his story that is set in the 1800s and is based on actual events. The story concerns a slave who tried to kill her newborn daughter by throwing her into an open fire, but the baby was rescued and raised by the family who owned the slave. George will give details of this heartwarming story that will be published in the fall and his research that led to its discovery. Hosts and hostesses for the evening will be **David and Jennifer Henry, Justin and Julia Battles, Tim and Diana Richards, and Chad and Marci Smith.**

— Randall Pardue
