

Lighten the Load with Automatic Bank Draft from Your Electric Cooperative

By taking advantage of Piedmont EMC's **Automatic Bank Draft Program**, you'll never have to worry about writing a check and mailing it in by the due date. Automatic bank draft makes that a thing of the past. And, signing up for the service is easy to do. You just need to meet the following qualifications:

- Your electric service account should be at a current balance status with two or fewer delinquent notices within the past 12 months.
- Your electric service account should have no returned checks for insufficient funds within the past 12 months.

Complete the request form at the bottom of this page and include a voided check from your checking account.

Or, you may choose to have your payment drafted from your savings account. If so, please include a deposit slip from the savings account to be drafted.

Once you have been approved for the automatic bank draft program, you will be notified of the effective date for beginning bank draft as well as your approximate monthly bank draft date.

Until notified, you should continue to pay your bill as usual.

You will continue to receive your monthly statement once Piedmont EMC begins to draft your checking (or savings) account, but it will be noted "to be paid by draft."

If you have more than one account, you may draft just one—or all of them. Should you choose to draft only one account now, then later decide to draft the other accounts, you will need to complete an additional authorization form at that time. This form is available from the Cooperative's office.

For additional information, contact Piedmont EMC at 919-732-2123 or 800-222-3107.

Sign up today, and make writing checks for electric service a thing of the past!

 Please cut along line and return to Piedmont EMC with the required checking/savings account information.

I authorize Piedmont Electric Membership Corporation to draft my checkings/savings (please circle one) account monthly for payment of my electric bill. I will be responsible for notifying Piedmont EMC if I no longer wish my account to be drafted.
