Change in Clip Up, Clip Down System

As many of you know, we use a clip up, clip down system to reinforce student behavior. If your child is doing well they may be recognized by moving their clip up. Likewise, if a child needs a cue to revise their behavior, their clip is moved down. After visiting with the teachers, we have decided to start all students at "Rockin' Along" and not at "Great". This should provide a better indication to parents of how their child's day went.

- 5 Awesome
- 4 Great
- 3 Rockin' Alona
- 2 Extra Reminders
- 1 Struggling

f you have any questions regarding our system, please do not hesitate to contact your child's teacher or me.

Got Questions? The Glenwood Ridge Student Handbook is a great "go to" place for any questions. It can be found on our website. The Table of Contents is very user friendly. A calendar of events is also in the handbook and on the website. If you do not have internet access a hard copy of the handbook will be sent home. Please contact the office if you need a hard copy of the Student Handbook.

If you need this correspondence translated, please make contact with arazak@usd458.org.
