palmat@nhec.com  
Telephone: 603-536-8650

Two scholarships are available to cover partial costs  
of this event. For more information,  
please contact Tom Palma or palmat@nhec.com.

## About the NH Sustainable Energy

**Association:** Started in 2003, NHSEA's mission is to edu-  
cate NH citizens and organizations about sustainable energy and  
to advocate in NH for favorable sustainable energy policies.  
NHSEA is a non-profit 501(c) 3 organization. [www.nhsea.org](http://www.nhsea.org)

## About Squam Lakes Natural Science

**Center:** The Center's mission is to advance understanding of  
ecology by exploring New Hampshire's natural world. The  
Center's "Green" features include appropriate design siting and  
construction materials, daylighting, solar hot water, photo-  
voltaics, and composting toilets. SLNSC is a non-profit environ-  
mental education organization founded in 1966. SLNSC enables  
people to discover the natural world and learn in meaningful and  
memorable ways the ecological concepts of adaptations, popula-  
tions, interrelationships and habitats. [www.nhnature.org](http://www.nhnature.org)
