

## **USEF NATIONAL Passport Application**

Return completed form by: Fax: (859) 231-6662 or

Attn: Passports

4047 Iron Works Parkway Lexington, KY 40511-8483

- 1. This application is for horses at competitions for which approval of Federation National Passports has been granted by the FEI. The National Passport serves as a way to identify the horse by diagram and record the influenza vaccination history. An approved National Passport can easily be upgraded to an FEI Passport as a Recognition Card once the horse reaches the level requiring an FEI Passport.
- 2. The horse must be Life Recorded with the United States Equestrian Federation (USEF). If your horse is not recorded, please include the current Horse Recording Application and \$200. If your horse is Annually Recorded, please select **Upgrade to Life** at the bottom of this form and include the fee of \$125.00.

  3. The owner of the horse must be a United States Citizen. If not, please contact the Passport Department at (859) 258-2472.
- 4. If you are competing in an FEI International Competition, please note that FEI Registrations are mandatory and may be included with this application.
