You're invited to attend the Master Builders of Iowa's 100th Anniversary Celebration. The **BUILD STRONG - Legends in Concert** will be the event you won't want to miss!

On February 20, 2012, at the newly renovated, 60 million dollar Veterans Auditorium Iowa Events Center, MBI has arranged to bring Las Vegas to Des Moines, Iowa. In celebration of the 100th Anniversary, TrueNorth Companies, in conjunction with the Master Builders of Iowa, will make the Las Vegas stage come alive! The headliners are famous acts that play on the best stages throughout America and this line up will provide a great entertainment mix of country, blues, soul and rock and roll.

The **BUILD STRONG - Legends in Concert** will feature:

Garth Brooks; The Blues Brothers; Tina Turner and headlining . . . The Liverpool Legends

The concert is intended to celebrate all the contributions made by all segments of the industry that have built Iowa over the last 100 years. It is also an encouragement to **BUILD STRONG** for the next 100 years. The admission fee has been priced to allow everyone associated with the industry to come and be part of this celebration. We encourage you to invite spouses and guests. There will not be an attraction like this, at this price, for another 100 years!

So cancel your tickets to Las Vegas and purchase your tickets to the **BUILD STRONG - Legends in Concert** scheduled for **February 20, 2012!** Reserve tickets early - hundreds are expected to attend this centennial event!
