# Catering Guidelines

*A successful event requires proper planning. You must consider many different facets to make your event a success. Please keep the following guidelines and strategies in mind and you'll be on your way to a successful event!*

## **LOCATION & TIMING**

It is true... timing is everything, especially when coupled with the location of your event. Please take time to visit the location where your function will be held. We prefer that a minimum of four weeks notice be given for scheduling an event. This allows us to design your menu and staff appropriately to ensure that you receive a quality dining experience. A three-course or five-course meal generally requires up to two hours to serve, and most buffets require one hour of service. These times may vary depending on the size of your group. Please allow adequate time for setup, proper service, room changes or entertainment.

Our Guidelines: To plan your special event at our facility, please call the Manager from the area you would like to have your function...

Garrett Community Center at 610-273-4616 OR StoneCroft 610-273-9333 extension 2440.

## **THE MENU**

When choosing a menu selection, always take in to consideration your guest list. Consider the age, gender, and social awareness of your guests as well as the season of the year. Use our catering menu to make your selections and contact us directly with any special requests regarding your dining experience. A children's menu will be furnished upon request.

Our Guidelines: Prices included in the Catering Guide are subject to change due to market conditions. Prices in the Catering Guide include the cost of china service ware. We strive to provide an eco-friendly event. Should you request the use of paper products, an additional charge will be incurred. Due to liability and safety, all food and beverage items that are not consumed at the event must remain on the site of your event.

## **TABLE COVERINGS & CENTERPIECES**

Table size and seating arrangements should be considered when choosing centerpieces and floral needs for your event. We will be happy to recommend a florist or order on your behalf. You may provide your own centerpieces as well. If necessary, we can also place them on the tables before service begins, but we ask that you provide the centerpieces at least two hours in advance of the beginning of your event. If you would like to add a personal touch by using table decorations, we request that these also be attended to two hours in advance of the start of your event.

Our Guidelines: Your meal cost includes standard linen use at your event. Events will incur a fee for non-standard linens. Should you desire a different color or style of tablecloth or napkin, we will be happy to arrange the rental of these items at an additional cost. To arrange for table coverings and centerpieces, consult the Manager for a list of options.

## **CONTRACT**

Event details will be written in the contract, signed and dated by the party reserving the room and the Manager.

**NUMBER OF ATTENDEES**

An estimated final count is required at least one week in advance of the date of the event. Billing for services is based on the final count that was provided. Should the attendance exceed the guaranteed count or the event run longer than planned, the bill will be adjusted accordingly to reflect the actual number of meals served and/or the time change.

**CANCELLATION**

In the event of a cancellation, notification is required by calling the Manager a minimum of 72 hours prior to the event. Failure to inform the Manager of cancellation will result in billing for the entire function.

**PAYMENT**

Payment is expected at the conclusion of the special event. If adjustments must be made, they will be presented at this time with a new total. Payment should be made by check made payable to Tel Hai. Tips/gratuities are not accepted. Prices in the Catering Guide do not include Sales Tax. The State Sales Tax will be applied to the total of the even unless a State Sales Tax Exemption Form is supplied.
