Persuasive Speech

Topic = Driver's Education Classes

I = Even though offering driver's education classes is very expensive for school districts, driver's ed is important and should be available to all students. Spending money for driver's ed is important because students will learn to be safe drivers, all students will have access to the same information, and the community will benefit by having better drivers on the road.

☆ Safe drivers
(One important)

- more likely to learn the laws
- adequate time to practice
- learn from experts

☆ Same information
(Just as important)

- driver's ed not limited to wealthy
- cover all the laws
- practice on highways and country roads
- feel free to ask questions

☆ Benefit to the community
(The most important)

- fewer accidents for young drivers
- more courteous drivers

C = When teens take driver's education classes in their school districts, they feel valued. They also learn that driving safely and obeying laws is important to the people who live in their neighborhoods. Whatever money is spent on these classes is money well spent. School districts should continue to make the driver's ed course a priority item in their budgets.
