La Fédération des établissements d'enseignement privés regroupe 190 établissements répartis sur l'ensemble du territoire québécois. Ces établissements dispensent des services à plus de 110 000 élèves de l'éducation préscolaire et de l'enseignement primaire et secondaire, soit environ 12% des effectifs scolaires québécois.

Le babillard d'emploi, [www.emploifeep.com](http://www.emploifeep.com), permet aux 189 écoles autonomes membres de la Fédération des établissements d'enseignement privés de déposer des offres d'emploi et de consulter les candidatures qui y sont inscrites.

Seules les directions des établissements de la Fédération ont accès aux

candidatures. Celles-ci sont protégées puisqu'elles sont déposées dans une base de données dans une section «réservée aux membres» et il est nécessaire d'avoir un mot de passe et un code d'accès pour la consulter.
