

Donation Application

Thank you for considering Captain Cook Cruises as a sponsor for your fundraising activities. We are delighted to support a wide range of events in our community

1. Captain Cook Cruises supports registered charities, schools and registered sporting clubs on an individual application basis. We regret we are no longer able to assist fundraising events for individuals unless organized through a registered charity.
2. Before proceeding please check our Donation list at www.captaincook.com.au/donations as there is a limit of one sponsorship per organisation per calendar year.
3. All applications must be accompanied by a letter (on letterhead) from the charity/school/club authorizing you to fundraise on their behalf.
4. The application must be received by Captain Cook Cruises at least 30 days prior to the event. We regret we cannot support events under this time period.
5. Successful applications will be sent a cruise certificate to the charity/school/club's registered address for collection by your representative. We regret we are unable to post certificates to individual residential addresses.
