IMPORTANT PLAYER ELIGIBILITY RULES

- When a team qualifies for a State, National or World Tournament, including the World Series, the team roster will be frozen whether the team accepts the berth or not. The team roster becomes frozen immediately at the qualifying event. Players will be bound to this qualified team up to and including the team's respective State, National, World Tournament/Series, whether the team advances or not.
- A team manager may release up to three players from this team's qualified frozen roster (four releases permitted in the Mixed program). However, such releases must be made prior to August 21st. A team manager cannot replace a released player with an add-on. No player will be allowed to be released from a qualifying team's roster after August 20th.
- A manager shall be allowed to add only four players to a qualified frozen roster. One of the four additions must be made prior to July 1st. Other roster additions may be made as late as 72 hours prior to the start of a State, National or World Tournament. **Exception:** Mixed teams shall be allowed to add four players to their roster. One of the four added players may be added as late as 72 hours prior to the Championship Tournament. Other roster additions must be made two weeks prior to the Championship event. Additions in all programs must have played for a registered USSSA team prior to August 1st of the current season, cannot be on another qualified team's roster, must come from a team that is classified equal to or lower than the team the player is joining, and must be approved by the State Director.
- A team with less than ten players which has used all options for additions and releases MAY APPLY FOR STATUS OF DISBANDMENT WITH THE STATE DIRECTOR. If approval is given, the team forfeits all berths and sponsor travel monies earned.
- Any exceptions to the above must be approved by the respective Vice-President and the appropriate Executive Vice-President.
- All players participating in adult USSSA tournament play shall have photo ID available. Failure to do so will result in Rule 4, Sec. 11-A5 in the USSSA Rule Book to be applied. The offending team loses the game, is ejected from the tournament, placed last in the standings and forfeits all awards, sponsors, travel expense money and tournament berths that would have been awarded at the tournament.

Cuyahoga Falls Sunday Men's Fall Softball League Policies and Procedures

The Cuyahoga Falls Sunday Morning Doubleheader Fall Softball League in cooperation with the Cuyahoga Falls Youth Baseball Association welcomes your team to the 2012 Fall Softball Season. Proceeds from the league will go to the improvement of the summer Youth Baseball Program in the City of Cuyahoga Falls.

USSSA SANCTIONS AND INSURANCE

It is mandatory that all teams be USSSA re-sanctioned prior to participating in this program. The City of Cuyahoga Falls and the League Director do NOT carry insurance on participants or spectators. If insurance is desired by anyone it is the responsibility of the team or individual to secure the same. By the same token, lost or stolen property or equipment of those involved is NOT insured.

EQUIPMENT

Uniforms are requested but not mandatory, players should dress in accordance to weather conditions. ALL PLAYERS MUST WEAR SHOES; STEEL SPIKES ARE NOT PERMITTED TO BE WORN IN THIS LEAGUE. Fields will be dragged on Friday weather permitting. The League supplies bases, balls, and umpires.

All games will start promptly at 10:00 a.m. There is NO grace period. The Umpire's timepiece will serve as the official time. ALL TEAMS MUST HAVE A MINIMUM OF (eight) 8 players to start or finish any game. Anything less than the minimum will result in forfeiture of that game. If you do not have eight players by 15 minutes after the scheduled start of your first game, you will forfeit the second game.

RAIN-OUT POLICY

The League Director will notify the manager as soon as it has been determined that the fields are unplayable. Fall Softball is often played in marginal weather conditions. If you have not been called, instruct your players to show up at the game site. Weather conditions vary greatly in different areas.

GROUND RULES

1. The winner of a flip of a coin has his choice of being the home team in either the first or second game of the doubleheader.
2. Both teams keep score, the home team will be designated as the official scorer for that game. In case of a dispute the official book will prevail. At the conclusion of the game make sure the umpire has recorded the correct score on the blue card and both managers need to sign the card. Next week's standings are made up from the information on the cards.

SUSPENSIONS

1. No alcoholic beverages of any kind are permitted at any game site, subject to provisions of Cuyahoga Falls City ordinances.
2. Any player, coach or manager that physically attacks an umpire, league official or another player will be suspended immediately for one (1) year minimum from the date of the incident and then must apply for reinstatement. NO EXCEPTIONS!
3. Thrown bats -- Any player ejected for throwing a bat will be suspended for the next two (2) played games including playoffs.

SUSPENSIONS (cont.)

4. Managers, you have the responsibility for the conduct of your players. If you can't control them then the umpires will take the necessary steps to remove them from the game.
5. Any player, manager, coach that gets ejected from a game for unsportsmanlike conduct will be suspended from participating in the next played game including playoffs. The second offense will result in that player being suspended from the next (2) two played games including playoffs. While under a suspension the person is not permitted at any of the playing sites.
6. Good sportsmanship will be displayed at all times. If you or your team cannot follow this simple request, then find another league to play in to vent your frustrations.

PROTESTS

Official protests must be filed with the League Director in writing along with a \$25.00 cash protest fee within 48 hours of the game being protested. Protests can only be made on rule interpretations, not on umpire judgment calls. If a protest is lodged it must be made known prior to the next pitch to the umpire and opposing manager.

PLAYING RULES

1. All batters will start with a 1 ball and 1 strike count. All batters have one foul ball to waste.
2. USSSA rules apply unless superceded by local rules.
3. Ten (10) run rule in effect for all regular season games.
4. Third strike rule in effect.
5. Courtesy runners are NOT permitted. USSSA re-entry rule in effect.
6. Warm-up pitches: 3 to start the game and 2 between innings.
7. All players participate at their own risk.
8. The batter and the base runners do NOT have to circle the bases on an over the fence home run.
9. Each team will be permitted to hit a total of four over the fence home runs in each game. Additional home runs hit over the fence will result in an out and runners may not advance.
10. Sliding is allowed at all bases.
11. No time limit.

ROSTERS

Open roster policy in effect again this year. Players releases do not exist in this league. Once a player plays for a team he CANNOT play for another team in the Cuyahoga Falls League this year. Any player found to have played for more than one team will be suspended from further participation this season. The second team he played with will forfeit all games involving this player. This rule applies to this league only. For a player to be eligible for the playoffs, he must have played in a least four (4) regular season games. Managers, your honesty, sportsmanship and cooperation are appreciated in this area.

PLAYOFFS

All teams with a .500 record or better make the playoffs. Division Champions will be seeded in the playoff bracket. All other teams will draw for position. This drawing will be held immediately after the last game on the last day of the regular season.

ADMINISTRATION AND PUBLICITY

Results will be published weekly and a standings sheet will be handed out each week. Any decisions or rulings will be made with the interests of the league in mind and will not be made so as to favor any team or individual.

BAT RULE

- We follow the USSSA list of approved bats. If you have a question about a bat, please check with the umpire. Please visit their website for an updated list of approved bats. www.ussa.com

If a player is found to have used or to be using an illegal bat, he/she will be called out, their name noted and any future violations may result in suspension.

If a player is caught using an altered bat he/she will be suspended for the rest of the season and the following season.
