

The Plinker

MISSION STATEMENT

The object of this organization shall be the encouragement of organized rifle, shotgun and pistol shooting among residents of our community, with a view toward better knowledge on the part of citizens of our community of the safe handling and the proper care of firearms, and the development of those characteristics of honesty, good fellowship, self discipline and self reliance that are the essentials of good sportsmanship and the foundation of true patriotism.

BLACKPOWDER REPORT FOR MAY

Ten Free Trappers called the Weatherman's bluff and showed up for the monthly shoot on May 15th. The powder was black, the smoke was white and the half moon target at the 100 yard range was unscathed at the end of the day. Top three prizes were given for each class of arms. For pistol, first place went to Tom Brown with a borrowed pistol again. By the way Tom, that Trapper is for sale! Second place went to Will Ulry and third place went to Tim Sampson. Rifle honors went to Tom Witt, 1st place, Tim Sampson 2nd, and Will Ulry 3rd. Trade Gun had Tom Brown, 1st place, Tim Sampson 2nd, and Bob Gietz 3rd. Aggregate awards (rifle and pistol combined, club furnished blanket prizes: Tim Sampson 1st, Will Ulry 2nd, Tom Brown 3rd, Tom Witt 4th, Bob Gietz 5th, Steve Andrews 6th, Jim Dotterer 7th, Doug Simpson 8th, Chris Miller 9th, and Jim Robertson 10th. Tom Brown won the Poker

Luck shoot with three deuces. The Grub Shoot finished up the day with seven participants, each taking home some goodies.

Free Trappers will be starting shoots in the Fall with early birds at 10:00 AM and main shoot starting at 11:00 AM. We will add a shotgun match to the program which will include percussion shotguns along with Trade Guns. Next get together for the Free Trappers will be the Trail Work day on Sunday, September 18th. The monthly shoots will resume on October 16th.

Call for ROAD REPAIRERS

The time is right to make preparations for repair of the access road during the seasonable summer weather. The basic task is to repair and repave about 270 feet of the road to preclude deterioration and collapse during an inopportune winter rain storm. The intent is to hire a small contractor to repair the problem within a couple of days when the weather is right. If you are aware of local earthwork or small paving contractors with a good reputation we would like to get in touch with them and get their proposal to consider at the next Board Meeting. Please refer or suggest possible contacts to Bob Gietz at 360-273-7862

Volunteers for gun shows

We are doing the Puyallup and Centralia gun shows from here on out. If you wish to donate your eight hours at our membership table at a gun please call Rich Montecucco at 866-1880 or email him at RichMontecucco@yahoo.com. He will get back to you and arrange a day convenient to you so you can get your eight hours of donated time in for the club. Fail not at your peril!

2005 GUN SHOWS DATES

Centralia: June 11, 12; July 30, 31; Sept. 17, 18; Oct. 8, 9; Nov. 12, 13; Dec. 3, 4

Puyallup: June 4, 5; Aug. 13, 14; Oct. 15, 16; Nov. 5, 6; Dec. 10, 11

2005 Black Powder Cartridge Matches

The Saturday April 16th match results were:

- | | |
|------------------|----------------------|
| 1. Gary Barrick | 92, 91, 97, 280, 13x |
| 3. Jim Dotterer | 89, 90, 90, 269, 8x |
| 5. Marty Alvis | 96, 92, 83, 271, 3x |
| 4. Ivan Lindgren | 94, 89, 92, 275, 5x |
| 2. Herb Anderson | 88, 93, 85, 266, 2x |

When the dust had settled, or should I say, when the mud settled, five people came out in the rain to try out their Buffalo Rifles. Gary Barrick came out the winner with a fine 280 13x. Good shooting Gary!

I want to thank George Reichelderfer for his effort tin building white background frames. The frames worked out fine!

See you at the next match. Please call me with questions.

CCR&P Web site

The CCR&P web site is up and running. The address is <http://www.ccrpclub.org> and there is a lot of stuff on it. There is a "Forum" page where you can leave messages for other members or ask questions or provide answers. On the Plinker page you can read or download the Plinker. You can also get back issues of the Plinker. There is a link that will let you write articles for the Plinker. Remember, you have to get them in by the 15th of the month to get them included. This is where you would submit "For Sale" items.

Last year we spent over \$5000.00 printing and mailing the Plinker. There is a link on the Plinker page that you can use to sign up for E mail notification when a new Plinker is available on the web site. If we could get everyone to sign up, we could save enough money to pay for the new roof that we need on the club house in two years.

The way the web site is set up, your E mail is kept secure and you will not get any SPAM because of this site.

If you signed up for the E-Plinker on the old site you will need to sign up again on the new site.

MEMBERSHIP DUES RATES

Dues and Renewal policies are effective September 1, 2003

Members will receive a statement 45 days before their membership expires. (Your renewal month is found on your mailing label.) The dues renewal date is the last day of the month in which members' "annual date" falls. Members' gate card will automatically "lock out" on their renewal date if they have not renewed, and their membership will be considered "inactive" for 30-days, during which time they may still pay their dues. After 30-days on "inactive" status the membership will be terminated. Should they wish to rejoin CCR&P past the 30-days "inactive" status, they must reapply as a new member and attend the Orientation class. (All Life memberships are required to pay the \$15/member annual insurance fee.)

DUES RATE:

~ Member (age 18+) \$70
~ Annual Assessment \$80*
(*Member has 12 months to pay assessment.
Member can pay with: 8-hrs. work, recruit 2
new members, cash, or combination thereof.)

NEW MEMBERS:

~ Initiation Fee \$80
~ Gate card deposit \$10
~ NRA membership (required)
~ Orientation class (required)

(GUESTS: Members may bring their spouses and children under the age of 18 years old **as guests** as often as they'd like. Non-immediate family member guests are limited to two visits annually. Members **MUST** accompany their guests at all times, including spouses and children, and are responsible for the conduct of their guests.)

To join CCR&P, or any membership questions, please contact Rich Montecucco, at (360) 866-1880.

Minutes

Capitol City Rifle & Pistol Club
Board of Directors Meeting
May 6, 2005
Meeting began at 7:03 PM
Flag Salute

Attendance - Jim Dotterer called the roll. All directors were present except the following: Steve Andrews, Mike Iyall, Jim Greeves, Tom Holladay, Ron Morton, Jerry Rheault, Will Ulry and Bill Wright.

Treasurer's Report - There was no Treasurer's report.

Membership - Jim Dotterer reported total membership is 399. He noted that CCRP is gaining new members as it is losing "old" members for a net change of zero. Bob G. reported that, based on their telephone area codes, some new members live a greater distance from the club than was previously the case. In particular, he mentioned one new member whose home is in Seattle. He also noted that CCRP's presence at gun shows is producing more new members than we gained from participating in the county fairs.

Web Site - Jim D. reported that CCRP is receiving favorable comments regarding its new web site.

Problem at Main Door - Jim D. relayed Will Ulry's report of another tripping incident at the main (large) door to the club house involving a parent of one of the Hunter's Ed students. Will suggested that the door either be kept closed, requiring that the other door be used, or that the trough be covered with a wooden "bridge" for that portion of the door that is opened. Jim encouraged whoever has the wood to construct such a bridge but, also to paint it with stripes to catch people's attention.

Gun Show - Rich Montecucco reported that a few members have staffed the gun show booth several times. He would like to see other members participate. He has prepared some notes outlining how to prepare the booth.

Reducing Need for Paper Plinker - Darrell Gehlsen described how easy it is to switch from receiving a paper Plinker to getting it at the club's web site thereby saving the club money.

Standing Rules - Shirley Rheault and John Cadoo presented further sections of the S.R. Included were "Range Operations", "Club Property", "Legislative Affairs" and the job description for Director of Calendar Scheduling. Following considerable discussion several items were changed. Under "Club Property", # 1 now reads "Prohibited items or actions . . .", "Rifles firing .50 caliber BMG" will be replaced by "firing .50 caliber BMG" and "except with written permission of the Executive Committee" will be replaced by "except with an approved Event Application"; #13 local bum bans" is replaced by "local bum bans."

Under "Club Property" the firewood provisions, #15 through #18, will revert to those originally drafted by the committee and under "Range Operations" #8, the portion "Upon application" through "satisfactory membership status" was moved to "Club Operations" and, as yet, is not approved. "Legislative Affairs" and the "Director of Calendar Scheduling" job description were approved without change. (Note: When all changes to the Standing Rules have been approved, they will be published on the club's web site).

Club House Situation - Jim D. said that he had not yet received estimates on reroofing the clubhouse but, expected to have them soon. Shirley R. asked Jim to arrange for having the club's sign, by the highway, scrubbed. Ray C. said that the club needs to be realistic about the costs entailed in reroofing the clubhouse. Darrell G. pointed out that directors need to act on the roofing job, not just talk about it. Bob G. offered a motion: do we want to repair the roof? The motion was seconded and passed by a one vote majority. Shirley offered a motion that the club solicit bids for both a new roof on the existing clubhouse and on a new clubhouse. The motion was seconded and passed.

Entry Road Repair - Bob G. provided a "ball park" estimate for repair costs of \$12,000 (\$3,600 for paving and \$8,000 for grading). Jim D. asked Bob to pursue getting a firm estimate. Bob pointed out that the club would likely need to provide the contractor(s) with 30 days of lead time. Considerable discussion followed as to possible ways to stave off the road repairs but, none of the approaches discussed were satisfactory.

Budget - Jim D. indicated that he will identify all the fixed costs (insurance, taxes, etc.) that the club faces and provide these for the June meeting.

Money Market Withdrawal - Since the club is facing major expenditures for clubhouse reroofing and road repair, several directors wondered how money may be withdrawn from the money market account. Jim D. said that he will get that information

Roof Demolition - Ray C. reminded directors that the costs of licenses for and removing and disposing of shingles and other old roofing materials must be included in the roof repair estimates.

Respectfully submitted,
John C.

Congratulations to All the Shooters!

Top 5 Scores:

1 st	Jill Shilling	65	45 S&W 625	Congratulations!
2 nd	Malcolm Kirkwood	68	45 ACP	
3 rd	Keith Solveron	62	H&K 9mm	
4 th	Jamie Thornton	61	S&W 686	
5 th	Wayne Shilling	57	45 S&W 625	

This match seemed to be more of a challenge and everybody shot really well.

The weather forecaster was not exactly correct on there forecast, because the weather was perfect for the shoot. Mike and I noticed that a lot of the Turners and Boos did not show up, OK to be exact only one Turner and one Boos showed up and we still had a great turn out. There were bowling pins, steel plates, plate racks, the gong (which did not ring a lot), and for some strange reason bunnies. Either way it was fun.

Next months shoot will be on the first Saturday instead of the second due to range closure. We hope to see you all on June 4th.

Uncle Jim D's Helpful Hints

Today's subject: "Bounce" fabric softener sheets

Fabric softener sheets have more uses than being used in your dryer. Here are some ideas that us guys might find interesting:

1. Rub one on the outside of the plastic powder measure tube of your reloading equipment and it will remove the static charge.
2. Throw a used sheet in the tumbler to help polish your brass casings.
3. Troubles with musty smells in your hunting RV? Place unused fabric sheets in several areas inside the RV. (This only lasts a short while and should be replaced about once a week.) This also works in boats and other closed areas.
4. Rainy day cure for wet dog odor... Next time your dog comes in from the rain, simply wipe down the animal with a dryer sheet, instantly making your dog smell springtime fresh.
5. Rub a dryer sheet on your skin for an instant mosquito repellent. Don't know what kind of chemicals you might absorb into your skin, but the insects don't want to get it on themselves and will leave you alone.
6. Put in an area to repel spiders and mice. (They don't want to get it on themselves either.) This works for a short time.
7. about twice a year. The fabric softener chemicals begin to collect on the screen which reduces the air flow. You can cut maybe 20 minutes off your drying time on a load of clothes by cleaning the screen.
