Dear Parent/Guardian

## **GCSE Geography Revision Guide and Textbook for AQA Specification A**

As a Geography Department we are delighted that your son/daughter has opted to study Geography at GCSE. The 'GCSE Geography Revision Guide for AQA Specification A' has been specifically written for the specification of study. It would be a great benefit for all pupils of GCSE Geography to have access to this to support with their homework, exam answers and revision. Students also have the opportunity to purchase 'Understanding GCSE Geography for AQA Specification A' if they do not have this already. This textbook is a lot more detailed than the revision guide and will once again support your son/daughter in their studies.

This revision guide and textbook will enhance your child's success in each of the units of study. The revision guide costs £5.95 retail price, but as a school we would be able to sell them to students for £3.50. The textbook costs £20.00, is not essential but as mentioned would really help your child to be successful in their GCSE Geography.

If you wish to purchase a copy of the revision guide, textbook, or both for your son/daughter, please complete and return the reply slip, with the payment, to the finance office by Monday, 25 January 2016, so that the order can be made.

Alternatively, if you wish to purchase these books yourself, the ISBN number for the revision guide is 9781847623782 and the ISBN for the textbook is 9780435353308.

Yours sincerely
