

AZ-862 DRILL TEAM
GENERAL KNOWLEDGE BOOK

The drill team beret that I wear is a symbol of honor, service, and excellence in regulation and exhibition drill.

My skills are some of the most difficult to master in Air Force Junior ROTC and I will spare no effort to properly prepare myself and my team for success in close order competition.

I am dedicated to my unit, my team and my school and I am guided by the principles of integrity, discipline, fairness, and tenacity.

I pledge to strive for perfection and reject mediocrity both in my personal behavior and in the performance of the team.

I am an AZ-862 Drill Team Member.

DRILL PRACTICE PROCEDURES

Appearance

- **No civilian hats**
- **No open toe shoes**
- **Hair must be pinned back**
- **During cold weather, watch caps and black gloves are authorized (except in service uniform)**

Equipment

- **Account for it at all times**
- **Don't wait to be told to get it**
- **Bring writing utensil and paper to class**
- **No joking/jesting/competitions with any of the equipment**

Miscellaneous

- **Practice like you will perform**
- **No spectators at the Drill Pad**
- **Be prepared to answer questions**
- **No food or drink on the Drill Pad**
- **Don't sit on/around/near the drill pad**
- **Don't walk/run through or jump over the rock perimeter**
- **Flag detail conducts reveille prior to class if the sun is up**

GENERAL KNOWLEDGE QUESTIONS

This is a random sampling of questions that may be asked of you at drill meets.

AFM 36-2203 DRILL AN CEREMONIES

1. A single line of persons placed one behind the other is the definition of?
File
2. A single line of persons placed side-by-side is the definition of?
Rank
3. A step of 24 inches, the length of a full step in quick time is the definition of?
Pace
4. Alignment of individuals one behind the other maintaining proper distance is the definition of?
Cover
5. Alignment of individuals side by side maintaining proper interval is the definition of?
Dress
6. An arrangement of units is the definition of?
Formation
7. Any portion of a given formation is the definition of?
Unit
8. Arrangement of units one behind the other with element leaders and guide to extreme left flank is the definition of?
Inverted Line
9. Arrangement of units one behind the other with element leaders and guide to extreme right flank is the definition of?
In Line
10. Arrangement of units side-by-side with element leaders and guide to the rear is the definition of?
Inverted Column
11. Arrangement of units side-by-side with element leaders and guide at the head is the definition of?
In Column
12. At least two, but no more than four elements make a . . .?
Flight
13. Change in pitch of voice, generally rising through commands is known as?
Inflection
14. Distance measured from heel to heel of a marching individual is the definition of?
Step

15. Dress or cover is the definition of?
Alignment
16. Extreme right or left (troops right/left) side of a formation in column or line is the definition of?
Flank
17. Most commands of this type have a preparatory command and a command of execution?
Drill Command
18. Individual designated to regulate the direction and rate of march is the definition of?
Guide
19. Marching in place at 100 - 120 steps per minute is the definition of?
Mark Time
20. On this command you complete the action you were "thinking about"?
Command of Execution
21. Rate of marching 100 - 120 steps a minute (12 or 24 inches) is the definition of?
Quick Time
22. Rate of marching 180 steps a minute (30 inch step) is the definition of?
Double Time
23. Space between individuals placed side-by-side. Normal is arm's length close is 4 inches is the definition of?
Interval
24. Space occupied by a unit measured from flank to flank is the definition of?
Front
25. The ability to enunciate correctly is known as?
Distinction
26. The ability to make your voice reach whatever distance desired without strain is known as?
Projection
27. The basic drill unit comprised of no less than 3 persons is the definition of?
Element
28. The correct place for an officer, NCO or airman to stand in formation is the definition of?
Post
29. The element on which a movement is planned, regulated or aligned is the definition of?
Base
30. The leading unit of a column is the definition of?
Head

31. The middle point of a formation. On an odd numbered front, it is the center person or element on an even numbered front it is the person/element to the right of center this is the definition of?
Center
32. The space from front to rear between units, between individuals is 40 inches as measured from their chest to the back of the individual directly in front of them. This is the definition of?
Distance
33. These commands are given when one unit of an element must do something different from the rest?
Supplementary Commands
34. These commands have no preparatory command or command of execution and are not supplementary?
Informational Commands
35. These commands help develop confidence, self-reliance, assertiveness, and enthusiasm by making the individual recall, give, and execute the proper commands?
Mass Commands
36. This extra quality demands immediate response, it expresses confidence and decisiveness?
Snap
37. This is the "think about it" command?
Preparatory Command
38. Total space front to rear of a formation. An individual's depth is 12 inches is the definition of?
Depth
39. Uniform step and rhythm in marching; steps marched per minute is the definition of?
Cadence
40. The volume used when giving commands is known as?
Loudness
41. What makes a group?
2 squadrons make a group
42. What makes a squadron?
2 flights make a squadron
43. During inspection procedures, after giving the command Ready Front, where does the commander proceed to?
Centered and 3 paces from the flight

44. While marching, what are the number of steps respectively the 1st, 2nd, 3rd and 4th element leaders take for Counter March?
The 1st element leader takes four 24-inch steps forward, executes a 90-degree pivot to the right, the 2nd element leader takes two 24-inch steps forward, executes a 90-degree pivot to the right, the 3rd element leader takes one 24-inch step forward, executes two 90-degree pivots to the left, the 4th element leader takes three 24-inch steps forward, executes a 90-degree pivot to the left
45. In order to give commands the commander must assume what position?
Assume the position of attention
46. On which foot is the command of execution for Eyes Right called on?
Right
47. Respectively, how many steps between pivots do the 3rd, 2nd, and 1st element leaders take during a Column Right?
2, 4, and 6
48. What command is given to a formation to return their head and eyes forward?
Ready Front
49. What do less than three cadets/airmen make?
Less than 3 individuals make a detail
50. What do three cadets/airmen make?
3 or more individuals make an element
51. What does the command "As you were" do?
Revokes a preparatory command
52. What does the command "Without the Numbers" do?
Drill movements with more than one count will be done at the cadence of quick time
53. What is the position of honor?
To the right
54. What is the publication that governs Air Force drill and ceremonies?
AFMAN 36-2203
55. What is the size of the step during Right/Left Step March?
12 inches as measured from heel to heel
56. When demonstrating a drill movement count by count what command must be given?
By the numbers
57. When executing Counter March from the halt, respectively how many steps do the 1st, 2nd, 3rd and 4th element leader take?
The first element leader takes five paces forward, the third element leader takes three paces forward, the second element leader takes two paces forward, and the fourth element leader takes four paces forward

58. When given flight halt from double time how many steps do you take in double time?
2
59. When marching, commands that change the unit's direction to the left are called on what foot?
The left
60. When the command Dress Left Dress is given, the heads and eyes of cadets are turned where?
45 degrees to the left
61. Which position of rest allows you to leave the immediate area?
Fall Out
62. Which position of rest allows you to talk, yet you must keep your right foot planted?
Rest
63. Which position of rest states, your feet will be 12 inches apart as measured from heel to heel?
Parade Rest
64. Which position of rest states that your right foot must remain planted and you cannot talk?
At Ease
65. While marching at Route Step, you must maintain what?
Dress Cover Interval and Distance
66. You are outdoors, in uniform, you hear our country's national anthem but you don't see the US flag, what do you do?
Come to attention face the music and salute
67. On the command Extend March (while marching) on what foot does the fourth element take up the half step?
The right
68. How do you change direction when marching at other than attention?
Incline to the right (left)
69. How do you leave ranks?
One step backward with coordinated arm swing, execute a facing movement toward the closest flank, proceed to the front of the formation by the most direct route, halt one pace in front of and facing person in command
70. You are at double time and you must render a salute to, what do you do?
Go to Quick Time render salute and carry on
71. When marching forward, on which foot is the command FLIGHT Halt?
Either foot however, preparatory command and command of execution are given on the same foot
72. In which formation is the command COVER not used?
In Line Inverted Line

73. According to AFM 36-2203 what manual is used for drill with arms?
The appropriate service manual for the weapon used, for the Daisy Replica M-1903 it is FM 3 -21. 5
74. How do you travel from airman to airman during an inspection?
Simultaneously execute a face to the right in marching and an in place halt
75. What do you do if a command is given incorrectly?
Perform the movement to the best of your ability
76. When commanding units larger than a flight, how long is the pause between the preparatory command and the command of execution?
Three paces
77. Describe the position of attention?
Heels together, feet form a 45 degree angle, legs straight, knees not locked arms hanging naturally at side, hands cupped palms toward seam of trousers, thumbs parallel to ground, chest lifted, back arched head and eyes straight forward
78. During column of files when do the subsequent element leaders incline left/right?
After marching forward
79. To form a column of two or more from a single column, what do the element leaders say and do on the preparatory command?
Leading element leader turns head and eyes 45 degrees and commands stand fast. All other element leaders turn head and eyes 45 degrees and command COLUMN HALF RIGHT/LEFT
80. What tone of voice is used during Count Off?
Normal
81. Describe the number of steps and pivots taken by elements during CLOSE March while marching?
1st element, 45 degree pivot right 5 steps 45 degree pivot left 2nd element, 45 degree pivot right 3 steps 45 degree pivot left 3rd element, 45 degree pivot right 1 step 45 degree pivot left 4th no pivots
82. What are the pivot points for Right Flank?
90 degrees to the right on the ball of the left foot
83. What is a face in marching?
The pivot and step are executed in one count, and proper dress, cover, interval, and distance are maintained
84. Once halted, what is the distance between ranks after the command OPEN RANKS March?
70 inches
85. What size step is taken between pivots during a column movement at normal interval?
24 inches
86. What is the rate of march for slow time?
60 steps per minute

87. What is adjutant's cadence?
140 steps per minute
88. Is double time authorized in service dress uniform?
Yes
89. Cadence is given in how many sets?
Two
90. While marching, commands of execution occur when?
As the heel of the appropriate foot strikes the ground
91. What size step is taken between pivots during a column movement at close interval ?
12 inch
92. This movement is described as "not precise"?
Counter March
93. When does the guidon bearer bring the guidon to the carry position?
On the preparatory command
94. How is the guidon carried in double time?
45 degrees across body pennant toward right shoulder
95. When do the element leaders call their elements to attention during Open Ranks?
After the inspector finishes the preceding element and before they stop at the first person in their element
96. What are the parts of the guidon?
Ferrule, staff, pennant and ornament/pike
97. What are the pivot points for a left face?
Heel of the left foot ball of the right
98. You are given the command FLIGHT Attention, what do you do on the preparatory command ?
Assume the position of attention
99. Describe the hand placement for close interval dress right dress?
Place the left hand on the left hip fingers pointing down thumb along the forefinger, fingers extended and joined, elbow bent and in line with the body
100. What are the pivot points for Left Flank?
90 degrees to the left on the ball of the right foot
101. What do you do during AT EASE March?
Free movement, silence, DCID
102. What does the 4th element do while marching and the command CLOSE March is given?
One 24 inch step then 12 inch steps until new command is given

103. While performing to the rear what should you not do with your body?
Force it up or lean forward
104. While conducting individual drill. What command is used to view Present Arms and Order Arms in two counts?
HAND Salute, READY Two
105. What commands are given to size a flight?
In Line formation, right face with exceptions taller tap, right face with exceptions taller tap, left face with exceptions taller tap
106. How long does a formation stay in half step after the command Column Half Right/Left March?
When all members of the leading rank are abreast of each other resume 24 inch step
107. Describe the hand placement for Parade Rest?
Place the right hand in the palm of the left, right thumb over the left to form an "X"
108. Where is your dress during In Line formation?
To the right
109. What are the measurements for arm swing while marching at quick time?
6 inches to the front as measured from the rear of the hand to the front of the thigh and 3 inches to the rear as measured from the front of the hand to the back of the thigh
110. For Right/Left Step, how do you call the halt?
As the heels are together call the preparatory command, then again for the command of execution
111. What are the contact points for present arms?
Right corner of the hat, right eyebrow, or right front corner of eyeglasses
112. What are the pivot points for ABOUT Face?
Ball of the right foot, heel of the left foot
113. Where is your dress in an inverted column?
To the left
114. What does the guide do on the command FALL IN?
Takes a position to the left of and facing the flight sergeant so that the first element is centered and three paces from the flight sergeant
115. What are the pivot points for a left face?
Heel of the left foot, ball of the right foot
116. Respectively how many steps does each element take during Open Ranks?
1st three, 2nd two, 3rd one 4th zero
117. COUNT Off can only be performed in two formations what are they?
In Line and In Column

118. Describe the action taken after the command of execution for To The REAR March?
Take a 12 inch step with the left foot, suspend arm swing, pivot 180 degrees to the right on the balls of both feet, take a 12 inch step with the right foot
119. An officer is approaching; you are in uniform and in a formation. What is the procedure?
The person in charge of the formation will call the formation to attention and salute for the formation
120. How many degrees do you pivot during a Half left/right Face?
45

ARMY TRAINING CIRCULAR 3-21.5

1. According to the army drill manual, what do you do if you are not a squad leader and you are given the command cover?
Raise your left arm horizontally, establish distance of an arm's length plus 6 inches
2. Counter Column from the halt is executed how?
The platoon executes the movement basically the same as from the *Halt*, except that the squad takes one additional step to ensure that the pivot foot is in the correct position to execute the movement
3. TC 3-21.5 states for a squad or platoon to change interval while in line the commands are?
Close Interval/Normal Interval/Double Interval March
4. From Order Arms, how many counts are in the movement Inspection Arms?
5
5. From Order Arms, how many counts are in the movement Left Shoulder Arms?
4
6. From Order Arms, how many counts are in the movement Port Arms?
2
7. From Order Arms, how many counts are in the movement Present Arms?
3
8. How high do you raise the Daisy Drill Replica off the surface when performing facing movements?
1 inch
9. How many counts are in the movement Right Shoulder Arms, from Order Arms?
4
10. How many inches from the body is the Daisy Replica during Port Arms?
4 inches
11. In a four person color guard, what does the left guard do during a colors reverse?
Left guard takes one step forward, faces to the right in marching, takes one full step and three half steps, faces to the right in marching, and takes one step forward in the new direction
12. In a four person color guard, what does the right guard do during a colors reverse?
Right guard takes two steps forward, faces to the left in marching, takes one full step and three half steps, faces to the left in marching, and takes two steps in the new direction.
13. In a four person color guard, what does the U S flag bearer do during a colors reverse?
U.S. Flag faces to the left in marching and faces to the left while marking time
14. In a four person color guard, what does the subordinate flag bearer do during a colors reverse?
Subordinate flag takes one step forward, faces to the right in marching, takes two half steps, faces to the right in marching, and takes one step in the new direction

15. Inspection Arms is assumed when during open ranks inspection?
When the inspector is halted in front of you
16. According to Army TC 3-21.5, the proper command to move a squad or platoon to the rear is?
Rear March
17. What is the weight of the Daisy Replica?
8.69 pounds
18. In the Army what command do you give to terminate the formation but not the tour of duty?
Dismissed
19. In a platoon formation what does each individual soldier do when given the command RECOVER?
Assume the position of attention
20. What is the Army equivalent to a Flight Sergeant?
Platoon Sergeant
21. What command is given to return to right shoulder arms from sling arms?
Adjust slings
22. What is carried in the hollow compartment of the rifle stock?
Cleaning equipment
23. What is the appropriate position for your weapon when doing facing movements?
Order Arms
24. What is the barrel length of the M1903A3?
24 inches
25. What is the difference between a saber and a sword?
A saber is carried by officers, a sword by NCO's
26. What is the first step in handling any weapon?
Clearing it
27. What is the length of the Daisy Replica?
It has a length of 43 inches
28. What is the nomenclature of the drill rifle?
This is a replica of the M1903A3 which was a 30 caliber, lightweight, bolt action, magazine fed, manually operated, shoulder weapon. Manufactured by the Springfield Armory it weighed approximately 8.69 lb, with a barrel length of 24 inches and an overall length of 44 inches, it had a maximum range of 2800 yards and a maximum effective range of 800 yards
It weighs approximately 8.69 lbs
29. What publication governs drill with a weapon?
The publication that governs the weapon used, Army Field Manual 3-21.5

30. When can you execute Present Arms from Right/Left Shoulder Arms?

Only from the halt

31. When do you raise the weapon off the surface when performing facing movements?

After the command of execution

32. While at sling arms how do you salute?

Grasp the sling with the left hand at the shoulder and render a salute with the right hand

33. While marching how do you execute a counter column?

1st squad marches forward three steps, executes a *Column Right*, executes another *Column Right* just beyond the fourth squad. 2nd squad steps forward one step, executes a *Column Right*, execute another *Column Right* between the third and fourth squads. 3rd squad executes two short *Column Lefts* from the *Halt* and marches between the remainder of the third squad and the second squad. The fourth squad marches forward two steps, executes a *Column Left*, executes another *Column Left* between the first and second squads

34. With the Daisy Drill Rifle, what is the only command you can be given from Inspection Arms?

Port Arms

35. In the US Army what is the next level above a Company?

A Battalion

36. Who normally commands the color guard detail?

The highest ranking individual; normally an officer or NCO

37. Why do you do Inspection Arms before handing the inspector the Daisy Replica?

To ensure you are not handing the inspector a loaded weapon

38. According to TC 3-21.5 how many steps are taken during open ranks by the 1st, 2nd, 3rd and 4th squads?

The front rank takes two steps forward the second rank takes one step forward the third rank stands fast and the fourth rank takes two backward steps

39. What action(s) do you take when given the Command Stand at Ease?

Assume parade rest and turn your head and eyes directly toward the person in charge of the formation

40. FM3-21.5 states after giving open ranks if exact alignment is needed, this command is given?

At Close Interval,(At Double Interval), Dress right Dress

41. According TC 3-21.5, how do you close ranks?

The first rank takes 4 backward steps the second rank takes two backward steps, the third rank stands fast and the fourth rank takes one step forward

42. In Army drill where do your hands go for parade rest?

Place the hands at the small of the back and centered on the belt. Fingers extended and joined, interlock thumbs so the palm of right hand is outward

43. According to TC 3-21.5, unless otherwise specified, when directed to execute steps forward the size of the steps will be?
30 inch step
44. How far to the front and how far to the rear is your arm swing in Army regulation drill?
9 inches to the front and 6 inches to the rear
45. What is the US Army equivalent of a US Air Force Flight?
Platoon
46. What size is a half, backward or side step in the US Army?
15 inches
47. An element in Air Force drill is the same as what in the Army?
Squad
48. A company in the US Army is the equivalent of what in the US Air Force?
Squadron
49. In the US Army what are backward, side and half step used for?
Moving short distances
50. In column formation what do element leaders do when given the command cover?
On the command COVER, the fourth squad leader stands fast and serves as base. The squad leaders with the exception of the left flank squad leader, raise their arms laterally and turn their heads and eyes to the right.

AIR FORCE INSTRUCTION 36-2903 DRESS AND APPEARANCE OF AIR FORCE PERSONNEL

1. Describe the length of Air Force trousers/slacks?
Resting on the front of the shoe with a slight break in the crease. The back is 7/8 of an inch longer than the front
2. Earrings worn by females must meet what criteria?
Small spherical, conservative round diamond, gold, pearl, or silver earrings
3. How do females wear the flight cap?
On the crown of the head hair may protrude from the front
4. How many rings may a cadet wear in uniform?
No more than 3
5. The Air Force Uniform can be described in two words, what are they?
Plain yet distinctive
6. What is a gig line?
A line formed by the facing of the shirt the buckle edge and the fly of the pants
7. What is the maximum bulk for female hair?
Not to exceed three inches in bulk
8. What is the proper placement of the name tag on a female service uniform?
1 1/2 inches above or below the first exposed button centered between the arm seam and the Facing
9. What are the four standards of the Air Force uniform?
Neatness, Cleanliness, Safety and Military Image
10. What is the publication that governs dress and appearance of Air Force personnel?
AFI 36-2903
11. Describe the restrictions for nail polish in uniform?
No extreme colors Some examples of extreme colors include but are not limited to, purple, gold, blue, black, bright (fire-engine) red, and fluorescent colors. Cannot contrast skin or detract from uniform. Males are not authorized to wear
12. How do males wear the flight cap?
Squarely on the head, no hair protruding from the front, slight tilt to the wearer's right
13. What is one exception to wearing head gear indoors?
When the wearer is bearing arms
14. What is the proper placement of the name tag on a male service uniform?
Center name tag on (but not over) top edge of right pocket
15. What is the spacing between ribbons on a service uniform?
No spacing

16. On the Air Force flight cap what signifies that the wearer is an officer?
A silver and blue edge braid
17. What is the proper placement of ribbons on the service coat?
Center metallic name tag on right side between the sleeve seam and the lapel. Bottom of name tag will be parallel with bottom of ribbons
18. Is standing or walking with your hand in your pockets while in uniform authorized?
No
19. What is the maximum length for male hair?
Not to exceed an inch and $\frac{1}{4}$ in bulk
20. What is the grooming standard for a mustache?
Must be neatly trimmed not to extend downward beyond the lip line of the upper lip or extend sideways beyond a vertical line drawn upward from both corners of the mouth
21. On what uniform combinations is the name tag not worn?
Mess Dress and Semi Formal
22. When wearing the tie, how long can it be?
Tip of tie must cover a portion of the belt buckle but cannot extend below the bottom of belt buckle
23. What types of sunglasses are unauthorized in uniform?
Mirrored faddish
24. Describe female hair bands and stays?
Conservative hairpins, combs, headbands and barrettes must match the hair color
25. What is the proper placement of ribbons on the male service uniform?
Center ribbons resting on (but not over) top edge of left pocket between the left and right edges
26. When is a white crew neck T shirt authorized?
With a closed collar shirt
27. What is the proper placement of the tie tack/clasp?
Center optional tie tack or tie clasp (Air Force symbol, grade insignia, or wing and star) between bottom edge of knot and bottom tip of tie
28. What is the proper placement of ribbons on a female service uniform?
Center ribbons on left side parallel with ground. Align bottom of the ribbons with the bottom of the name tag
29. What is the length of the Air Force skirt?
Will be no shorter than the top of the kneecap nor longer than the bottom of the kneecap
30. What is the proper placement of the US insignia on the service coat?
The US lapel insignia is placed halfway up the seam, resting on but not over it. The "U.S." letters in the insignia are parallel with the ground
31. Of all the Air Force service uniforms, which one is not authorized for officers to wear?
The Semi Formal Dress Uniform

32. For Officer and Enlisted airmen what is the difference for the "U.S." insignia worn on the service coat?

For enlisted personnel, the "U.S." has a circle around it

33. Describe the officer's braid on the service coat?

General officers will wear a 1 ½ inch wide blue sleeve braid, 3 inches from the end of the sleeve. All other officers will wear a ½ inch wide blue sleeve braid 3 inches from the end of the sleeve

34. Describe the USAF "Hap Arnold" Symbol?

A star with a circle in the middle, and feathered wings above the star

THE COLORS

1. How many stars show on a properly folded U S Flag?

4

2. What do the colors of the U. S. Flag represent?

Red – hardiness, valor; White – hope, purity, innocence; Blue – color of reverence to God, loyalty, vigilance, perseverance, justice

3. What do the Parts of the U S Flag Represent?

The white stars represent the states. The Field of blue represents the Union, , the red and white stripes represent the original 13 colonies

4. How old is the current U. S. Flag?

53 years old as of July 4th 2013

5. How is the U.S. Flag raised?

Briskly

6. According to American lore who created the first “American Flag”?

Betsy Ross

7. During reveille, how do you place the flag at half staff?

Raise flag briskly to the top of the staff, then lower it slowly and ceremoniously to half staff

8. On what days should you fly the U.S. Flag?

New Year’s Day Inauguration Day Martin Luther King Jr.’s birthday Washington’s birthday Easter Sunday Mother’s Day Peace Officer’s Memorial Day Armed Forces Day Memorial Day Flag Day Independence Day Labor Day Patriot Day Constitution Day National Election Day Columbus Day Navy Day Veteran’s Day Thanksgiving Day Pearl Harbor Remembrance Day Christmas Day State Birthdays

9. How is the U.S. Flag lowered?

Slowly and ceremoniously

10. Who determines when a flag is flown at half staff?

President, Governor, Mayor, City official or Installation Commander

11. What are the requirements for flying the U.S. Flag at night?

Adequate lighting for the entire flag to be seen

12. You are looking at a U.S. Flag on an aircraft, describe how it is displayed?

The union is to the right and up to appear as if it is moving forward

E-9, Seven chevrons, with an eagle globe and anchor and two stars inserted between the upper and lower chevrons

NAVY

26. Describe the pay grade and rate insignia for a Navy Seaman Recruit?
E-1, No Rate insignia
27. Describe the pay grade and rate insignia for a Navy Seaman Apprentice?
E-2, Two diagonal lines
28. Describe the rate insignia and pay grade for a Navy Seaman?
E-3, Three diagonal lines
29. Describe the pay grade and rate insignia for a Navy Petty Officer Third Class?
E-4, One chevron pointing down under a spread eagle
30. Describe the pay grade and rate insignia for a Navy Petty Officer Second Class?
E-5, Two chevrons pointing down under a spread eagle
31. Describe the pay grade and rate insignia for a Navy Petty Officer First Class?
E-6, Three chevrons pointing down under a spread eagle
32. Describe the pay grade and rate insignia for a Navy Chief Petty Officer?
E-7, One arched stripe with a perched spread eagle above three chevrons pointing down
33. Describe the pay grade and rate insignia for a Navy Senior Chief Petty Officer?
E-8, One arched stripe with a perched spread eagle above three chevrons pointing down, with an inverted star above the eagle
34. Describe the pay grade and rate insignia for a Navy Master Chief Petty Officer?
E-9, One arched stripe with a perched spread eagle above three chevrons pointing down, with two inverted stars above the eagle
35. Describe the rate insignia for the Master Chief Petty Officer of the Navy?
E-9, One arched stripe with a perched spread eagle above three chevrons pointing down, with three inverted stars above the eagle
36. The title of an O-7 in the US Navy is what?
Rear Admiral Lower Half
37. What is the pay grade of a Vice Admiral?
O-9
38. What pay grade is a Rear Admiral Upper Half?
O-8
39. Describe the collar insignia of a U.S. Navy Chief Petty Officer
A gold fouled anchor with chrome USN
40. What is the title of a Navy O-10?
Admiral

AIR FORCE

41. Describe the pay grade and rank insignia for an Airman Basic?
E-1, No grade insignia
42. Describe the pay grade and rank insignia for an Airman?
E-2, Chevron of 1 stripe
43. Describe the pay grade and rank insignia for an Airman First Class?
E-3, Chevron of 2 stripes
44. Describe the pay grade and rank insignia for a Senior Airman?
E-4, Chevron of 3 stripes
45. Describe the pay grade and rank insignia for an Air Force Staff Sergeant?
E-5, Chevron of 4 stripes
46. Describe the pay grade and rank insignia for a Technical Sergeant?
E-6, Chevron of 5 stripes
47. Describe the pay grade and rank insignia for an Air Force Master Sergeant?
E-7, Chevron of 6 stripes, 1 is inverted
48. Describe the pay grade and rank insignia for a Senior Master Sergeant?
E-8, Chevron of 7 stripes, 2 are inverted
49. Describe the pay grade and rank insignia for a Chief Master Sergeant?
E-9, Chevron of 8 stripes, 3 are inverted
50. Describe the pay grade and rank insignia for a Second Lieutenant?
O-1, One gold bar
51. Describe the pay grade and rank insignia for a First Lieutenant?
O-2, One silver bar
52. Describe the pay grade and rank insignia for an Air Force Captain?
O-3, Two silver bars connected
53. Describe the pay grade and rank insignia for a Major?
O-4, One gold oak leaf
54. Describe the pay grade and rank insignia for a Lieutenant Colonel?
O-5, One silver oak leaf
55. Describe the pay grade and rank insignia for a Colonel?
O-6, One Silver eagle
56. Describe the pay grade and rank insignia for a Brigadier General?
O-7, One silver star

57. Describe the pay grade and rank insignia for a Major General?

O-8, Two silver stars in line

58. Describe the pay grade and rank insignia for a Lieutenant General?

O-9, Three silver stars in line

59. Describe the pay grade and rank insignia for a General?

O-10, Four silver stars in line

60. What does a diamond device signify?

First Sergeant

61. What does the rank insignia for a Command Chief Master Sergeant look like?

Chevron of 8 stripes, 3 are inverted with an additional star in the upper field of blue

1861-1865

29. According to popular history who discovered America?

Christopher Columbus

THE UNITED STATES

1. Which states were countries before they were states?
Hawaii, Texas and Vermont
2. Name the current United States Territories?
Puerto Rico, Guam, American Samoa, U.S. Virgin Islands and the Northern Marianas Islands
3. Which states boundaries come together to form the four corners region?
Arizona, Colorado, New Mexico and Utah
4. What is the Capital of Alabama?
Montgomery
5. What is the Capital of Alaska?
Juneau
6. What is the Capital of Arkansas?
Little Rock
7. What is the Capital of California?
Sacramento
8. What is the Capital of Colorado?
Denver
9. What is the Capital of Connecticut?
Hartford
10. What is the Capital of Delaware?
Dover
11. What is the Capital of Florida?
Tallahassee
12. What is the Capital of Georgia?
Atlanta
13. What is the Capital of Hawaii?
Honolulu
14. What is the Capital of Idaho?
Boise
15. What is the Capital of Illinois?
Springfield
16. What is the Capital of Indiana?
Indianapolis
17. What is the Capital of Iowa?
Des Moines

18. What is the Capital of Kansas?
Topeka
19. What is the Capital of Kentucky?
Frankfort
20. What is the Capital of Louisiana?
Baton Rouge
21. What is the Capital of Maine?
Augusta
22. What is the Capital of Maryland?
Annapolis
23. What is the Capital of Massachusetts?
Boston
24. What is the Capital of Michigan?
Lansing
25. What is the Capital of Minnesota?
St Paul
26. What is the Capital of Mississippi?
Jackson
27. What is the Capital of Missouri?
Jefferson City
28. What is the Capital of Montana?
Helena
29. What is the Capital of Nebraska?
Lincoln
30. What is the Capital of Nevada?
Carson City
31. What is the Capital of New Hampshire?
Concord
32. What is the Capital of New Jersey?
Trenton
33. What is the Capital of New Mexico?
Santa Fe
34. What is the Capital of New York?
Albany

35. What is the Capital of North Carolina?
Raleigh
36. What is the Capital of North Dakota?
Bismarck
37. What is the Capital of Ohio?
Columbus
38. What is the Capital of Oklahoma?
Oklahoma City
39. What is the Capital of Oregon?
Salem
40. What is the Capital of Pennsylvania?
Harrisburg
41. What is the Capital of Rhode Island?
Providence
42. What is the Capital of South Carolina?
Columbia
43. What is the Capital of South Dakota?
Pierre
44. What is the Capital of Tennessee?
Nashville
45. What is the Capital of Texas?
Austin
46. What is the Capital of Utah?
Salt Lake City
47. What is the Capital of Vermont?
Montpellier
48. What is the Capital of Virginia?
Richmond
49. What is the Capital of Washington?
Olympia
50. What is the Capital of West Virginia?
Charleston
51. What is the Capital of Wisconsin?
Madison

52. What is the Capital of Wyoming?

Cheyenne

53. What is the Capitol of Puerto Rico?

San Juan

54. What is the Capitol of the U.S. Virgin Islands?

Charlotte Amalie

55. What is the Capitol of American Samoa?

Pago Pago

56. What is the Capitol of Guam?

Agana

57. What is the Capitol of the Northern Marianas?

Saipan

ARIZONA

1. Who is the governor of Arizona?
Jan Brewer
2. By order of admission what is our state' number?
48
3. Describe the Arizona state Flag?
13 rays alternating red and yellow on the upper half, a copper star in the middle, and a field of blue on the bottom half
4. How many stars are on the Arizona Flag?
1
5. Oranges and Lemons are part of this Arizona C?
Citrus
