

Spring Hill Athletic Booster Club

2011-2012

2010-2011 was another very successful year for Spring Hill athletics. The reason for our continued excellence in athletics is very simple. We have great coaches, fine athletes, good development at the lower grades, and strong community support. Over the past ten years the booster club has provided over one hundred thousand dollars for equipment and other items to all of the sports, both men and ladies, and numerous college scholarships for deserving male and female student athletes.

We raise a portion of these funds through selling Spring Hill hats and *Blue Out* shirts during the fall and early winter. You will see our table set up at the football games with these hats and shirts. After January 1 of each year, we then take over all of the concession stands. **This is when we really need volunteers to help us.** We will have concessions at the basketball games, baseball and softball games, track meets, and various tournaments. Below is a sign-up sheet to become a part of this important and necessary organization for Spring Hill Schools.

The cost is \$20 for a family membership and \$85.00 for a business membership. Business members will receive special recognition on email updates throughout the year. Please return the membership application, along with your check payable to Spring Hill Athletic Booster Club. Let's look forward to a great year in 2011-2012 for Spring Hill Athletics.

*Dan Sorey,
President*
