### ABOUT THE NAME

When Dr. Edgar H. MacKinlay's vision of having a "small hospital big enough to handle emergencies and maternities" fell on deaf ears there was one group who was willing to listen: Green Hill Civic Club. On October 7, 1946, he met with this group and his vision took root. Ten months later, the first fundraiser - a Cake Festival - took place and the first gift was presented: \$329.22

Donations are tax deductible as provided by law. No contributions are used to buy supplies or pay salaries of any personnel. One hundred percent of your gift is used for patient care facilities, programs or equipment.

Your gift helps us provide the highest quality of care to our patients and makes the broadest possible impact on health care in our community. The FCMC Foundation, founded in 2008, is a non-profit corporation as provided under Section 501 (c)(3) of the Internal Revenue Code. **NEWLY-FORMED DEVELOPMENT COUNCIL CHAIRED BY LOCAL RESIDENT HELEN OVERLY**

The FCMC Foundation's Development Council was established in the Fall of 2014 to foster a continuing spirit of partnership with the community. This volunteer council, which is chaired by long-time resident and local philanthropist Helen Overly, is made up of community members and will build on the relationship that's been established. Under the Development Council's umbrella, several volunteer committees have been formed: Annual Fund (Green Hill Donors Club), Planned Giving (Dr. MacKinlay Society), Business & Industry (1950 Circle of Friends), Special (FCMC Visionaries) and Signature Gifts (FCMC Lasting Legacy). These committees will further involve the community in the medical center's programs and activities. Through the Council's efforts to provide the necessary resources, FCMC can fulfill its mission to continuously improve the health of our community.
