HADITH: "I am as My servant expects Me to be. I am with him when he makes mention of (remembers) Me. If he makes mention of (remembers) Me by himself, I make mention of (remember) him by Myself; and if he makes mention of (remembers) Me in an assembly, I make mention of (remember) him in an assembly better than it. And if he draws near to Me a hand's span, I draw near to him an arm's length; and if he draws near to me an arm's length, I draw near to him a fathom's length. And if he comes to Me walking, I go to him running." ~(Hadith Qudsi, Al-Bukhari)
