YouVerson Bible App:

Do you have the “YouVersion” Bible app on your smart phone or tablet? If not, you should. The weekly sermon notes are available in the “Live” tab of this app. Just click “Live” and then “Search for a Live Event” and you should see the title “CBC Morning Worship” and its date. If you do not see the CBC Event type in the ZIP Code in the “Search” field and it should turn up. Just click on the title and the Sermon Notes, referenced Bible verses and a place for notes are right at your fingertips.

For right now, you will need to use your personal data plan for this to work. We hope, in the future, to have Wi-Fi available in the sanctuary. to make this easier.

Hospital Visitation:

Because of the Federal Privacy Act, we can no longer call the hospital to see if anyone is there from Calvary Baptist. You can help us by letting us know if you or anyone from the church is in the hospital. Please do not assume we know. Very often, we are the last to know these things.

Baptism/ Membership:

If you are interested in being baptized or joining the church, please see one of the pastors.
