**TIES TO THE LAND: Take steps to guide the future of your land

If you own and care for woodland, the fate of your land is probably important to you. You hope that future generations will benefit from your efforts. **But hope is not a plan.** Preserving your legacy requires planning, and that involves more than just having a will or an estate plan.

This workshop is a mix of presentation and practical exercises that will give you the knowledge and tools to start succession planning. You will:

- Clarify your values and goals

- Learn about legal options that can support your plan
