Dear Colleague

Supporting Patients with Ischaemic Heart Disease – A Multidisciplinary Approach

We are delighted to invite you and your team to our forthcoming Cardiology training event. This is a special multidisciplinary cardiology event focusing on Ischaemic Heart Disease (IHD). The event will be suitable for all healthcare professionals who care for patients with Coronary Artery Disease (CAD) including the whole pharmacy team, nurses and GPs. Please do share this invite with all of your colleagues in the pharmacy even if you are unable to attend.

Date: Wednesday 10th February 2016
Time: 7.15pm to 9.30pm (food is available from 6.30pm)
Location: Weetwood Hall Conference Centre, Otley Road, Leeds, LS16 5PS

The aim of the evening will be to explore current and future multidisciplinary initiatives to support the medicines needs of patients with IHD across the healthcare continuum.

The event will cover:

- Update on recent developments in managing patients with IHD including medicines optimisation
- Understanding the healthcare pathway for patients with IHD
- Local initiatives to support medicines optimisation
- The role of various healthcare professionals including community pharmacy in supporting patients with IHD

Please complete a registration form and return to us as soon as possible to secure your place(s) at this event. **Please note that places are limited for this event so please book early to avoid disappointment.** Registrations must be received by Friday 5th February 2016. If, after registering for this event, you are unable to attend please let us know. Many of our events become fully booked and if you do not let us know we are unable to free up places for others.

Yours faithfully

Robbie Turner FRPharmS
Chief Executive Officer
Community Pharmacy West Yorkshire

Dr Rani Khatib
Consultant Cardiology Pharmacist
Leeds Teaching Hospitals NHS Trust
