

A five-minute training Series for Pest Management Professionals.

## Pre-Trip Planning

Name \_\_\_\_\_

Date \_\_\_\_\_

	True	False
1) A pre-trip plan can be done once a month thereby saving time each morning.	<input type="checkbox"/>	<input type="checkbox"/>
2) It is best to plan your day once you are on the road to your first stop thus saving time by reducing the time spent at the office.	<input type="checkbox"/>	<input type="checkbox"/>
3) A good pre-trip plan will include mapping stops and making large print notes that are easily read at a glance on specific address locators.	<input type="checkbox"/>	<input type="checkbox"/>
4) Pre-trip planning will reduce your time on the road by helping to eliminate backtracking and unnecessary trips back to the office for supplies.	<input type="checkbox"/>	<input type="checkbox"/>
5) A pre-trip plan should include a vehicle safety check and a chemical inventory.	<input type="checkbox"/>	<input type="checkbox"/>
