UNICARE®

Individual Change of Coverage Application

Thank you for applying with UniCare Life & Health Insurance Company (UniCare).
If you are electing a UniCare Consumer Choice PPO plan you have the option to choose this Consumer Choice of Benefits Health Insurance Plan that, either in whole or in part, does not provide state-mandated health benefits normally required in accident and sickness insurance policies in Texas. This standard health benefit plan may provide a more affordable health insurance policy for you although, at the same time, it may provide you with fewer health benefits than those normally included as state-mandated health benefits in policies in Texas.

If you choose this standard health benefit plan, please consult with your insurance agent, if applicable, to discover which state-mandated health benefits are excluded in this policy. Texas regulations require that you complete and submit a Consumer Choice Disclosure Notice at the time of application and annually thereafter.

Coverage is not guaranteed until approved in writing by UniCare. Do not cancel your current insurance coverage until you have been notified of approval by UniCare and your UniCare coverage is effective.

If your application for UniCare coverage is accepted as applied for, UniCare will assign the effective date, but coverage under this application is not guaranteed until you have been notified in writing by UniCare that your application is approved.

Authorization/Disclosure Statement

Some of the plans offered do not include all of the state-mandated benefits. The Consumer Choice PPO Plans do not provide some of the state-mandated health benefits. State-mandated benefits not included are: 1) mental or nervous disorders including those with organic disease; 2) Off-label drugs; 3) Prescription contraceptive drugs and devices and related services; 4) Telemedicine/Telehealth. In addition, coinsurance differentials between participating and nonparticipating providers may be greater than 30%. Purchase of this Plan may limit your future coverage options in the event your health changes and needed benefits are not available under this Plan. Coverage for pregnancy is not available under any UniCare Individual and Family PPO Plan.

I authorize any health plan, physician, health care professional, hospital, clinic, laboratory, pharmacy or pharmacy benefit manager, medical facility, or other health care provider ("My Providers") that has provided payment, treatment or services to me or any of my dependents who are also applying for coverage to disclose entire medical records, prescription history, medications prescribed and any other protected health information concerning me or any of my dependents who are also applying for coverage with UniCare, including UniCare or its designated agent. This includes information on the diagnosis or treatment of Human Immunodeficiency Virus (HIV) infection and sexually transmitted diseases. This also includes information on the diagnosis and treatment of mental illness and the use of alcohol, drugs, and tobacco, but excludes psychotherapy notes.

By signing below, I acknowledge that any agreements made to restrict protected health information does not apply to this authorization and I instruct any physician, health care professional, hospital, clinic, medical facility, or other health care provider to release and disclose entire medical records without restriction.

This protected health information is to be disclosed under this Authorization so that UniCare may: 1) underwrite my application for coverage, make eligibility, risk rating, policy issuance and enrollment determinations; 2) obtain reinsurance; 3) administer claims and determine or fulfill responsibility for coverage and provision of benefits; 4) administer coverage; and 5) conduct other legally permissible activities that relate to any coverage I have or have applied for with UniCare.

(cont.)

This authorization shall remain in force for a period not longer than 2 years following the date of signature below, and a copy of this authorization is as valid as the original. I understand that I have the right to revoke this authorization in writing, at any time, by providing written notification to the entity identified above. I understand that a revocation is not effective to the extent that any of My Providers have already relied on this Authorization to disclose information about me or any of my dependents who are also applying for coverage or to the extent that UniCare has a legal right to contest a claim under an insurance policy or to contest the policy itself. I understand that any information that is disclosed pursuant to this authorization is no longer covered by federal rules governing privacy and confidentiality of health information, but it will not be redisclosed by UniCare except as authorized by me or as required by law.

I understand that My Providers may not refuse to provide treatment or payment for health care services if I refuse to sign this authorization. I further understand that if I refuse to sign this authorization to release complete medical records, UniCare may not be able to process my application, or if coverage has been issued may not be able to make any benefit payments. I understand that any authorized representative, UniCare designated agent or I will receive a copy of this authorization upon request.

I understand and agree to all the Conditions of Application. I understand that coverage is subject to the provisions in the Conditional Receipt. I have read and understand the above disclosure statement and this Application in its entirety. I have received a written plan description.
