RELEASE OF LIABILITY FORM

I hereby understand that my participation in private music instruction is voluntary and therefore completely release and waive any and all actions, or causes or actions, against the Regents of the University of California, its officers, agents, or employees.

I understand that by voluntarily signing this release, I am assuming full responsibility for any and all risk of death or personal injury or property damage suffered by me while traveling to and from or participating in private music instruction, and that this release will be binding on me, my spouse, my heirs, my personal representatives, my children, and any guardian ad litem for said children.

I understand and agree that by signing this release, I am agreeing to release, indemnify, and hold the Regents of the University of California and their officers, agents, and employees harmless from any and all liability or costs, including attorney's fees, associated with or arising from my participation in private music instruction.

I have been advised that my participation in private lessons is voluntary. Although this activity does fulfill a degree requirement, it is my decision to take private lessons from a teacher of my choosing instead of studying with one of the ensemble directors hired through the department. Private instruction does not constitute an "official" activity of UCLA or the Department of Ethnomusicology.
