How Can I Get Through To You? Closing The Intimacy Gap Between Men And Women.

By Terrence Real

Select one response for each question below.

1. Research has shown the longer couples live together, the lower their reported contentment.

- a. True b. False

2. Over 70% of divorces are initiated by women.

- a. True b. False

3. One reason for current gender relations is that in the last 30 years, women's roles have dramatically transformed while men's have not.

- a. True b. False

4. For the first time, the current generation of men and boys are being raised to be intimate, rather than competitive performers.

- a. True b. False

5. Author Terrence Real contends that our culture teaches girls, more than boys, how to have a healthy relationship with themselves or with others.

- a. True b. False

6. In the last 20 years, the trend for two-member working households is for partners to share housework and childcare.

- a. True b. False

7. Real asserts that violence is a by-product of boyhood socialization.

- a. True b. False

8. Unlike femininity, masculinity represents a “negative identity”, where boys are taught to disavow human qualities.

- a. True b. False

9. Jean Baker Miller asserts that the fault of the Patriarchal Vision is the delusion of dominance.

- a. True b. False

10. Pia Mellody contends that, as opposed to disempowering abuse, falsely empowering a child is actually a positive form of parenting.

- a. True b. False

11. Over the last 30 years, teaching couples communication skills has resulted in a decreased incidence of divorce.

- a. True b. False

12. The most reliable predictor of long-term marital success is a pattern in which wives, in non-offensive, clear ways, communicate their needs, and their husbands alter their behavior to meet them.

- a. True b. False

13. Real contends that all therapists, under patriarchal mores, are coded as female, and suffer the devaluation and intimidation as are traditional wives.

- a. True b. False

14. In relational recovery, a therapist must slowly form a trusting relationship with a male client before confronting difficult truths.

- a. True b. False

15. Real hypothesizes that while traditional therapy is effective in dealing with shame, it is generally ineffective when it comes to issues of grandiosity.

- a. True b. False

16. While women appear to be over-dependent and men appear anti-dependent, both genders are taught to renounce their wants and needs.

- a. True b. False

17. Sex therapist David Schnarch observed that people tend to do in the bedroom what they do not do in every other room.

- a. True b. False

18. The first phase of relational recovery, bringing the couple back into connection, requires the partners, as individuals, to move beyond gender roles that were imposed upon them as children.

- a. True b. False

19. Researchers at The Stone Center dispensed with the terms of “growth” versus “connection” and developed the concept of growth-in-connection.

- a. True b. False

20. A state of worn-out disengagement is generally not a valid indicator of eventual divorce.

- a. True b. False

21. The relational rule that surpasses all rules is that you must be connected, willing to see what is in front of you, and willing to move if what you are doing is not working.

- a. True b. False

22. Relational esteem helps us learn to speak the truth to ourselves. Learning to speak relationally provides a map for telling our truth to others.

- a. True b. False

You have now completed the exam. Please complete the following
