Nickle Job Number:

Dear

Nickle Electrical Companies has recently implemented a customer satisfaction survey so that we may continue to strengthen our relationship with you, our valued customer.

To complete our survey, please go to our website www.nickleelectrical.com and click on the RED Commercial Project Survey button. This can be found on our homepage, as well as our Commercial page.

Our goal is to obtain a good overall picture of our strengths and weaknesses so that we may continue to move forward and better serve our customers.

So go ahead and give it to us, the good, the bad and the ugly! We want to know what you think.

We understand your time is valuable, so please include your mailing address so we may send you a free gift.

Thank you for your time, and if you have any questions please don't hesitate to give me a call.

Sincerely,

Project Manager
