

Nova Scotia Public Service Superannuation Plan Direct Deposit Form

As part of the Nova Scotia Pension Services Corporation's policy to improve the reliability of payment of your monthly pension benefits, we wish to advise that a direct deposit transfer system is mandatory. This system will automatically credit your bank account with the net amount of your pension payment on the third last banking day of each month, rather than mailing the cheque to your home or bank. This system also eliminates the problem of lost cheques and guarantees that your pension payments will continue to reach your bank account in the event of a disruption or delay in postal service.

In order to initiate the direct deposit transfer system, you must have an active account with a chartered bank, credit union or trust company in Canada which participates in direct deposits through the Canadian Banking System.

Where the completed enrolment form is received by our office prior to the 10th day of a month, the direct deposit procedure will commence that month. Enrolment forms received after the 10th of a month will be processed for direct deposit for the following month. For your convenience, we are enclosing a direct deposit enrolment form which contains instructions for its completion.

Please note: a **notification of deposit (statement of earnings and deductions) which is normally shown on the cheque stub, will be mailed to your home address only when there is a change from the previous month in the amount of the net deposit of your pension payment. No notification of deposit will be issued when the net deposit remains unchanged from the previous month.**

Should you have any questions regarding the direct deposit transfer system or require assistance before completing the enrolment form, please contact our office. The completed form for all recipients should be forwarded directly to the address at the bottom of this letterhead.
