

Cradle Cincinnati Connections

3210 Warsaw Avenue

Cincinnati, Ohio 45205

513-832-0539

Cradle Cincinnati Connections is a Healthy Start Program supported through the Health Resources Services Administration (HRSA). This program is new to our region and is designed to enhance and support existing Maternal and Child Health social support programs in addition to acting as a direct service to families and children.

OUR MISSION: To reduce the rate of infant mortality and improve perinatal outcomes in specific West Side neighborhoods. Cradle Cincinnati Connections is an associate of the collective impact initiative, Cradle Cincinnati, whose vision is to have every child in Cincinnati reach their first birthday.

OUR TEAM: Social Worker, Registered Nurse, Dietician, and Mental Health Specialists through Moving Beyond Depression.

ELIGIBILITY: Our current focus is on pregnant women and families with children under the age of 2 years AND who are residents of either zip code 45204 (Lower Price Hill), 45205 (East Price Hill), 45214 (South Fairmont and the West End) or 45225 (North Fairmount and Camp Washington).

Why Refer to Us? Cradle Cincinnati Connections is a support not only to families, but to the service providers in the community. Our program provides families and organizations with health education and screenings, case conferencing, access to supplies, and will arrange connections for patients to other support agencies. This wrap-around service model will promote better health outcomes and thriving communities.

How to Refer: A Cradle Cincinnati Connections referral form can be faxed to 513-832-0538 or contact a member of our team for consultation and to get a referral form.
