

ICCKC ANNUAL AWARDS

"XIII. DECEMBER AWARDS.

- Each December, at the Awards Banquet, the following awards will be made:
1. An engraved wooden plaque, shaped like the State of Idaho, carrying an ICCKC logo. It shall show name, title earned, year, and designation if the member owner or co-owner handled his/her dog in acquiring all points toward its championship.
 - a. Conformation championships
 - b. Obedience title
 - c. Other AKC title event, e.g. tracking, field event. An award will be given to members for each dog they own or co-own which has attained a title that year. Option: If that dog already has a plaque from a previous year, the member may choose to have that plaque updated, rather than receiving a new plaque.
 2. Frameable certificate for achievement in an AKC Title event. It shall show the dog's name, the achievement, year, and ICCKC marking, and designation if the member owner or co-owner handled his/her dog in acquiring this achievement. Multiple achievements during the current year on just one award, but a dog shall be eligible for this award each year it qualifies.
 - a. Best in Show
 - b. First Place in Group
 - c. High Scoring Dog in Trial
 - d. First Place in Obedience Class
 - e. Equivalent in other AKC Title event, e.g. Tracking or Field
 - f. Canadian or other national title, other than AKC
 3. Oral announcement of Special Accomplishment. Any ICCKC member who feels that his/her dogs have accomplished something special not recognized here may choose to write a brief synopsis to be read aloud at the Awards Dinner, e.g. National ranking, a multi-titled litter, a very special win, etc.
- In order to be eligible for any award, a member must have attended at least four (4) meetings per award year, or have served actively on at least one Club Committee during that year. The award year shall be from November 1 to November 1. It shall be the responsibility of the individual member to notify the Program Chairman in writing by November 10th of any awards earned or special accomplishment during that year."
