

Software Update Service
Activation Information Form (Floating)
Agilent 89600-Series Products

Your 89601ASN Software Update Service will be activated on:	6/1/2006
---	-----------------

If you do not return this form using one of the options listed below, your software updates will be sent to your Agilent Technologies Sales Representative.

To ensure that all software updates are sent to the correct location, please complete and return this form, using **one** of the following options:

- A. Go to our Web site at <http://www.agilent.com/find/89600> and click *Activate Software Update Service*
- B. Email the information requested below to 89600_SWL@agilent.com
- C. Fill in the information requested and Fax the back side of this form to (707) 577-5043

Please provide the following information:

- 1. Agilent Order Number on which the 89601ASN Software Update Service was purchased
- 2. Update Service ID (if this is a renewal and the Update Service ID shown does not match the subscription you wish to extend, provide both the ID shown here and the Update Service ID for the subscription that you wish to extend)
- 3. Contact Information

Software updates to this product will be sent directly to the shipping address that you provide as part of your contact information, for as long as your Update Service contract is active.

Upon receiving your information, we will send you a confirmation of your Activation Information.

We recommend that you keep a copy of this form for your records. Please keep the contact information current so that you will continue to receive software updates. If any of the contact information changes, please send updates via Web, email or Fax.

Thank you for your continued interest in 89600 software.
