PURPOSE: The purpose of the Boy Scouts of America, as incorporated on February 8, 1910, and chartered by Congress in 1916, is to provide for boys and young adults an effective educational program designed to build desirable qualities of character, to train in the responsibilities of participating citizenship and to develop in them personal fitness.

SERVICES OF THE LOCAL COUNCIL: The West Tennessee Area Council is chartered by the National Council, BSA to serve local chartered organizations and potential chartered organizations. The Council serves institutions through an extensive number of volunteers and professional staff which supports the volunteer leadership by providing day-to-day administration, commissioner service, training of unit leadership, program enrichment activities, summer camp and short-term camping facilities, educational and relationship program material, recognition, program aids, supplies, planning materials, monthly roundtables, insurance and established methods.

CAMP MACK MORRIS SCOUT RESERVATION: Camp Mack Morris serves as the cornerstone of the Council's outdoor program and offers a full program of swimming, boating, target shooting, handicraft, nature study, BSA and corporate COPE courses and high adventure activity under the guidance of a nationally accredited staff. Located on the banks of beautiful Kentucky Lake in Benton County, Mack Morris is supported by the Council's service organization – Itawamba Lodge- Order of the Arrow and meets the needs of thousands of youth and families throughout the year.

ADVANCEMENT AND EAGLE SCOUTS: The West Tennessee Area Council meets and exceeds many national standards for program including advancement and averages nearly 100 Eagle Scouts each year.

FINANCIAL SUPPORT: Financial support for the twenty county West Tennessee Area Council comes from the annual Friends of Scouting (FOS) campaign, local participating United Ways, special events/activities, camp card and popcorn campaigns. These funds provide for service and program support to units, training of volunteer leaders, year-round operation of Camp Mack Morris, membership recruitment, new unit organization, and professional staff leadership in district program administration. It also finances the services of the Scout Service Center where volunteers obtain literature, uniforms, insignia, and advancement badges and provides support for insurance claims, youth protection issues and online registrations.

STEWARDSHIP AND GOVERNANCE: The West Tennessee Area Council is responsible for over 5,000 youth and 2,000 adult leaders through its partnership with over 150 Scout units. The annual operating budget and finance needs – including staff management is determined and overseen by a volunteer finance committee and executive board composed a diverse group of business, community and longtime scout leaders. Strong financial stewardship and accountability is of the utmost importance to insure donated dollars are fully utilized and focused on the development and retention of high quality units and programs.

The Friends of Scouting campaign and special events like the Sporting Clay Challenge is paramount to the West Tennessee Area Council's local ability to give every young person an equal opportunity to afford and participate in a first class Scouting program.
