

SENIOR PROJECT PROPOSAL
For

Student Name

Refer to your completed Project Design and Product Design Planners as you complete this form.

1. SPECIFIC PROJECT TOPIC: _____

2. Explain why you chose this topic.

3. How does this project topic relate to your research paper?

4. Give details of the steps you will take to complete the project.

5. Explain exactly what product you will create/demonstrate to prove what you have learned from doing the project. _____

I approve this proposal for a meaningful Senior Project which will stretch the student's abilities, skills, and talents beyond those he/she has already mastered.
