## WABASH VALLEY ROAD RUNNERS CLUB, INC. <br> Application for Membership

## What is WVRR?

The Wabash Valley Road Runners Club is an organization that promotes and encourages running, walking and general physical fitness to the people of the Wabash Valley and beyond. One of our prime objectives is to educate the public of the benefits of running and walking. The Club accomplishes this by holding races: road, track, and cross country. We have lectures, clinics, fun runs, and quarterly meetings for participation of all club members. The club also prints a newsletter that is supplied free with your membership along with membership in the Road Runners Club of America (RRCA).

The Club relies heavily on sponsorship for our many activities, and we therefore encourage our members to support these sponsors. Some sponsors give discounts to club members.
We encourage club participation for all members of the community that take an active interest in their fitness as well as other participants. We invite everyone to join the club, whatever fitness level you enjoy.
