

**CLERGY STAFF PERSON  
HOUSING ALLOWANCE EXCLUSION INFORMATION**

Certification of housing allowances must be made in advance. Please complete this form for your estimated housing and utility expenses and return it to the Staff-Pastor Parish Relations Committee for approval.

This form enables you to list items that may be excluded from taxable income as housing expenses. For those provided a residence, some related expenses are provided for you. This information form is for expenses you may *personally* incur in relation to providing a home. After approval of the allowance by the Greater New Jersey Annual Conference, a signed copy will be forwarded to you for your records. The amount of expenses you indicate will reduce your W-2 income. This reduction does **not** reduce income for Social Security tax purposes.

It is understood that if the estimated amount is not used in full for housing needs, you will add the unused portion on your Form 1040 as taxable income when the tax return is filed.

In accordance with the provisions and requirements of Section 107 of the United States Internal Revenue Code, I state that the amounts set forth below represent to the best of my knowledge and belief a true estimate of the payments to be made **by me** to provide a home out of the gross compensation paid to me from the Greater New Jersey annual Conference of The United Methodist Church for the period of \_\_\_\_\_ through \_\_\_\_\_.

Utilities, repairs/maintenance, furnishings, insurance, other: \$ \_\_\_\_\_  
(Annualized amount – will be pro-rated if partial year appointment)

I \_\_\_\_\_ (*print name*) accept responsibility for maintaining and keeping available substantiation of the above expenditures, in accordance with the Internal Revenue Code. I also understand that if the above estimated amount is not used in full for housing needs, that the unused portion will be reported by me to the IRS on my tax return as taxable earnings.
