

## How to edit the PBCRC Preliminary Proposal form

Follow the steps below to edit a saved *PBCRC Preliminary Proposal form*.

1. Go to [www.pbcrc.com.au](http://www.pbcrc.com.au) and click **Our Research>Project Proposals**.  
**Result:** The PBCRC Preliminary Proposal Call page opens and the saved Project Proposal appears under My Project Proposals.  
**Note:** If you have logged out previously, click the **Log in** button in the Account management box.
2. Click the name of the saved Project Proposal.  
**Result:** A summary of the Project Proposal opens.
3. Click the **Edit** tab above the Navigation box.  
**Result:** The Preliminary Project Proposal form opens for editing.
4. Edit the form as necessary and then click the **Save** button at the bottom of the form to save the information.  
**Important:** You must do this before leaving the page otherwise you will lose all the completed information.
